A clear, transparent Nintendo Switch Pro Controller is shown from a top-down perspective. The controller's internal components, including the joysticks, buttons, and circuitry, are visible through the clear plastic casing. Bright blue LED lights are illuminated within the controller, particularly around the joysticks and the central button area. The Nintendo Switch logo and the word "Switched" are printed on the top center of the controller. The overall design is sleek and modern, with a focus on transparency and internal lighting.
