Installation Guide File-A-Key™ Binder, #60020

1. Attach Snap-in Tabs to Plastic Tags and appropriate key using included key ring.

2. Print or write key information on included Plastic Tag labels, Snap-In Tab mini labels, and Base Unit labels.
Label all items and attach Snap-In Tabs to Base Unit.

3. Store Base Units with attached tags & keys in an included binder or in a file drawer.
