luckystyle LK-F3-RF LED Floor Lamp

INTRODUCTION

The luckystyle LK-F3-RF LED Floor Lamp, which costs **\$29.99**, will brighten your area. Ideal for reading, creating ambient, or job lighting, this sleek, contemporary standing lamp features a 12W dimmable LED bulb with selectable color temperatures ranging from 3000K to 6500K and dimming from 5 to 100%. Use the provided remote control (which has a 50-foot range), a touch-sensitive panel, or a sensitive foot switch to control it with ease. The 63-inch-tall lamp has a solid metal base and a soft-diffusing linen shade that adds coziness to the space. It is also ideal for offices, living rooms, bedrooms, and even children's rooms due to its useful features, which include timed settings and a calming night mode.

WHAT'S IN THE BOX

- × Floor lamp with linen shade
- 1 × 12W E26 LED bulb (pre-installed)
- 1 × Remote control
- 1 × Foot switch

- 1 × Heavy-duty base
- 1 × Power cable
- manual

FEATURES

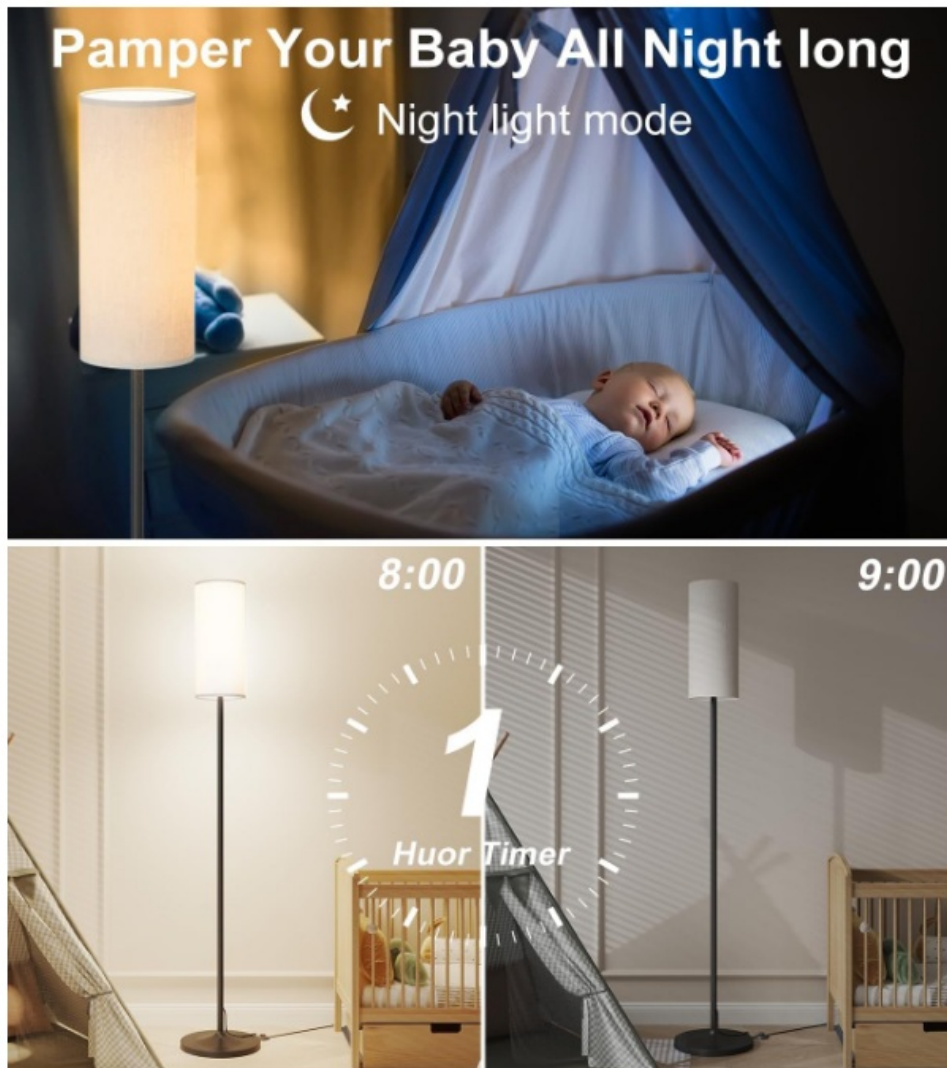

- **Included LED Bulb:** Comes with a 12W energy-saving LED bulb for efficient lighting.

- **Adjustable Light Color:** Choose from warm to cool tones (3000K to 6500K) to suit your mood.

- **Dimmable Brightness:** Smooth dimming range from 5% to 100% for precise light control.
- **Remote Control:** Operate the lamp from up to 50 feet away for added convenience.
- **Foot Pedal Switch:** Easily turn the lamp on or off with a quick tap of your foot.
- **Touch Controls:** Built-in touch panel allows intuitive brightness and mode adjustments.
- **Timer Function:** Set automatic shutoff with 30-, 60-, or 90-minute timers.
- **Night Light Mode:** Soft, low-light setting ideal for nighttime relaxation or sleep.

- **Tall Floor Lamp:** Stands 63 inches high, ideal for illuminating large areas.
- **Sturdy Base:** Weighted metal base helps prevent accidental tipping.
- **Soft Linen Shade:** Reduces glare while giving off a cozy, diffused glow.
- **Bulb Replacement Ready:** Uses a standard E26 bulb socket for easy replacements.
- **Tool-Free Assembly:** Simple setup without complex tools or instructions.
- **Versatile Use:** Perfect for bedrooms, offices, living rooms, or reading corners.
- **Bright Output:** Produces around 1200 lumens to light up a whole room.

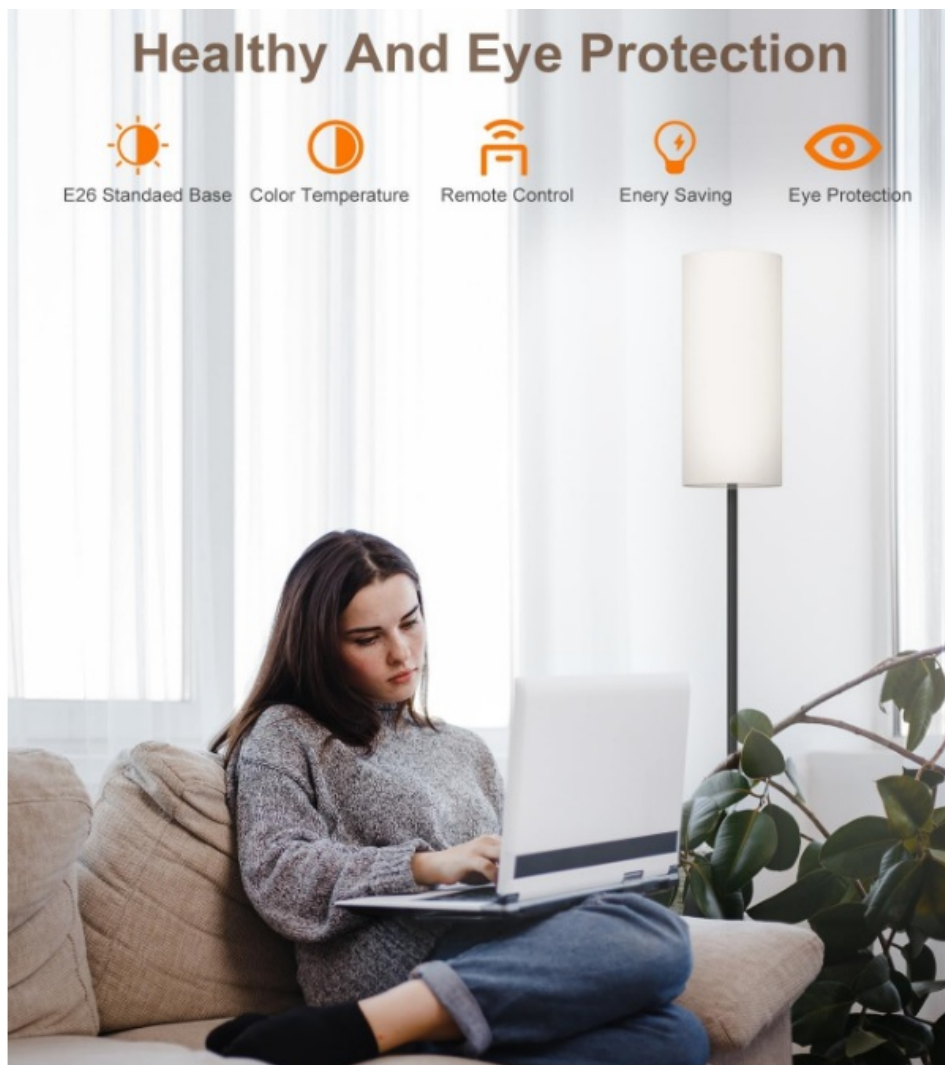

SETUP GUIDE

- **Unpack Carefully:** Open the box and take out all components with care.
- **Assemble the Stand:** Screw the pole sections together and secure them into the base.
- **Attach the Shade:** Secure the linen shade on top of the lamp structure.
- **Install the Bulb:** If not pre-installed, screw the E26 bulb into the socket.

Easy Installation

- **Connect to Power:** Plug the lamp into a nearby electrical outlet.
- **Level the Lamp:** Make sure it stands evenly on the floor.
- **Power It On:** Use the remote, foot pedal, or touch panel to switch it on.
- **Adjust Brightness:** Use touch or remote to set your desired light intensity.
- **Set Color Temperature:** Select the preferred white light tone (warm, neutral, or cool).
- **Use Timer Mode:** Set the lamp to turn off automatically at 30, 60, or 90 minutes.
- **Try Night Mode:** Activate the dimmest setting for nighttime use.
- **Foot Switch Check:** Test the foot control to ensure it functions properly.
- **Remote Storage:** Keep the remote handy by attaching it magnetically to the lamp.
- **Enjoy the Light:** Start using your lamp and customize it to your daily routine.

CARE & MAINTENANCE

- **Turn Off First:** Always power down the lamp before cleaning.
- **Dust the Shade:** Use a soft cloth to gently clean the linen fabric.
- **Wipe the Base:** Clean the metal stand with a dry or lightly damp cloth.
- **Skip Harsh Cleaners:** Avoid bleach or abrasive sprays that may damage surfaces.
- **Clean the Pedal:** Wipe the foot switch regularly to prevent buildup.
- **Replace Bulb Safely:** Only use bulbs compatible with the E26 socket.
- **Inspect Power Cord:** Check periodically for wear or exposed wires.
- **Protect the Remote:** Keep the remote control dry and away from spills.
- **Battery Maintenance:** Replace or recharge the remote's battery as needed.
- **Check Connections:** Once a year, ensure all joints and wires are secure.
- **Avoid Heat Exposure:** Do not place the lamp near heaters or hot appliances.
- **Shade Positioning:** Make sure the shade sits straight and centered.
- **Tighten When Needed:** Firm up any loose connections or fittings.
- **Indoor Use Only:** This lamp is not suitable for outdoor environments.

- **Store Accessories:** Keep spare parts and remote in a safe, dry spot when not in use.

TROUBLESHOOTING

Issue	Cause	Solution
Lamp won't turn on	Power disconnection or bulb fault	Check cable/power and reinstall bulb
Remote not working	Battery low or signal blocked	Replace battery and ensure line-of-sight
Lamp flickers	Loose bulb or faulty dimmer	Tighten bulb, test different dimmer levels
No color temp adjustment	Remote sync lost	Re-pair remote (follow pairing procedure)
Foot switch unresponsive	Broken foot switch cable	Inspect or use remote/touch control temporarily
Lamp wobbles	Uneven base surface	Place on stable floor or use felt pads
No timer function	Incorrect setting	Reapply timer mode on remote
Shade looks tilted	Loose shade top	Reseat and tighten shade fittings
Remote intermittent	RF interference	Move other electronics away or reposition lamp
Light too bright at night	Night mode off	Activate night mode for softer output

PROS & CONS

Pros

- Customizable light and brightness

- Three control options
- Ideal for reading and ambiance
- Sturdy and well-built
- Convenient timer and night mode

Cons

- Requires manual remote pairing
- Large base may not fit tight corners
- Linen shade may collect dust over time
- Only one bulb, not multi-light overhead
- Indoor use only; not for bathrooms

WARRANTY

Comes with a **12-month product warranty** covering defects in materials and workmanship. Ensure proof of purchase for support. Remote battery not included but lasts approximately 6–12 months depending on use.

FREQUENTLY ASKED QUESTIONS

What type of bulb does the luckystyle LK-F3-RF floor lamp use?

The luckystyle LK-F3-RF uses a 12W dimmable LED bulb with a standard E26 base, which is included in the package.

Is the brightness of the LK-F3-RF floor lamp adjustable?

The lamp offers 5 to 100 PERCENT dimmable brightness, allowing you to customize lighting for any mood or activity.

Can I change the color temperature on the luckystyle LK-F3-RF lamp?

Absolutely! You can choose from 3000K (warm) to 6500K (cool white) to suit

different settings or times of day.
