## LUMABALL HC-05 LED Night Lamp

### Product Specifications

- **Power Source:** 5V-1A
- **Do not use adapters exceeding 5V-2A**

### Product Features

1. The LUMABALL is a creatively designed ball lamp that adds a unique touch to any environment.
2. Plug-and-play functionality for flexible placement according to personal preferences.

### Product Usage Instructions

1. Ensure the product is powered by a 5V-1A source. Avoid using adapters exceeding 5V-2A to prevent damage.
2. Before use, insert the crystal ball onto the illuminated base. Adjust the position and angle to your liking once the base is lit.

### Basic Safety Information

1. Keep away from children under six years old and ensure adult supervision during use.
2. Avoid disassembling internal components to prevent damage.
3. Store in a dry environment when not in use for an extended period.
4. Contact the manufacturer or authorized agent for replacement of the internal light source.
5. Use on a surface with no more than a 6-degree tilt and avoid placing it upside down.
6. Verify compatibility between device voltage and product specifications before plugging in.

## Instructions for Recycling and Disposal

This label indicates that the product should not be disposed of as regular household waste in the EU. Recycle responsibly to promote sustainable use of material resources. Contact the retailer for environmentally safe recycling.

## Frequently Asked Questions (FAQ)

### Can I use the LUMABALL outdoors?

It is recommended to use the LUMABALL indoors to prevent exposure to outdoor elements that may affect its functionality.
