AWS Cloud Up Registration process

This guide will provide you with the instructions required to register for the AWS Cloud Up – Cloud Practitioner Essentials Program. If you have any questions or issues, please contact our team at digital@lumifygroup.com.

STEP 1: CREATE YOUR ACCOUNT

A. Go to this link to access our learning management system, Digital Hub. Click on the Lumify Account (previously DDLS Account) button.

B. If you already have a Lumify Account, please add your details, and click on Sign in. You can skip to Step 2 below.

C. If you don't have a Lumify Account, click on Sign up now at the bottom of the page to create your account.

The image shows the LUMIFY work sign-in interface. At the top is the LUMIFY work logo. Below it is the heading "Sign in with your email address". There are two input fields: "Email Address" and "Password". Below the password field is a link "Forgot your password?" and a checkbox "Keep me signed in". At the bottom, there is a blue "Sign in" button and a link "Sign up now" preceded by the text "Don't have an account?". A red rectangle highlights the "Sign in" button and the "Sign up now" link, with a red arrow pointing to the "Sign up now" link.

D. To create a new account, please add your email address and click on Send verification code. You will receive an email with your verification code. Please insert the code in the field and click on Verify code.

The image shows the LUMIFY work verification screen. At the top is the LUMIFY work logo. Below it is an input field for "Email Address". Below the email field is a blue "Send verification code" button with a red arrow pointing to it. Below this is a message: "Verification code has been sent to your inbox. Please copy it to the input box below." There is a small input field with a "5" and a dash. Below that is a larger input field for "Verification Code". At the bottom are two blue buttons: "Verify code" (with a red arrow pointing to it) and "Send new code".

E. Insert your details and click on Create to generate your account.

< Cancel

F. Follow any further prompts and instructions.

 **Important:** Ensure your profile has all the required fields populated (First name, Last name & Email). Click [here](#) to check.
