IMPORTANT SAFEGUARDS

When using electrical equipment, basic safety precautions should always be followed including the following:

WARNING – Risk of Electric Shock. Suitable for damp locations. Do not install insulation within 3”(76mm) of any part of the luminaire. Suitable for suspended ceilings.

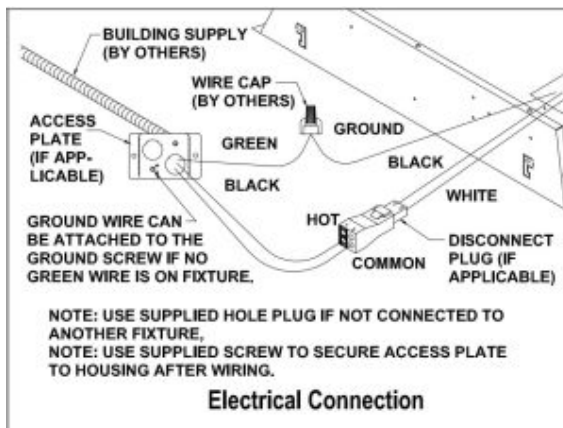

READ AND FOLLOW ALL SAFETY INSTRUCTIONS

1. Before installing this fixture or doing any maintenance, make sure to turn off the power supply at the circuit breaker or fuse box.
2. Do not use outdoors.

3. Do not use this equipment for other than intended use.
4. Product must be installed in accordance with NEC or your local electrical code. If you are not familiar with these codes and requirements, consult a qualified electrician.

Install Fixture in Ceiling Grid

Suspended Ceiling Clip and Wire Tie Setup

Door Installation

This LED fixture uses dimmable driver (#QTD-1000-HMVD35-L or QTD-1300-HMVD45-L). Please refer to the Luminance website luminance.us.com for list of compatible drivers. If you want to dim the fixture, please use 0-10V dimming switch.
