**Before using this device for the first time, please read these instructions carefully and keep them in a safe place for future reference.**

### 1. SAFETY INSTRUCTIONS

Make sure that the installation of your lighting fixtures complies with the regulations in force. In case of doubt we advise you to call in a professional.

Keep out of reach of young children.

Do not fix the light source.

Do not place near heat sources over 60°C.

Handle the product with care. A blow, a shock, or a fall, even from a low height, can damage it.

Never open the appliance, otherwise you will lose all warranty.

If you leave the appliance unused or unattended for a long time, turn it off.

### 2. REPLACEMENT INSTRUCTIONS REPLACEABLE COMPONENTS

Light source not replaceable by user.

Do not attempt to replace the battery.

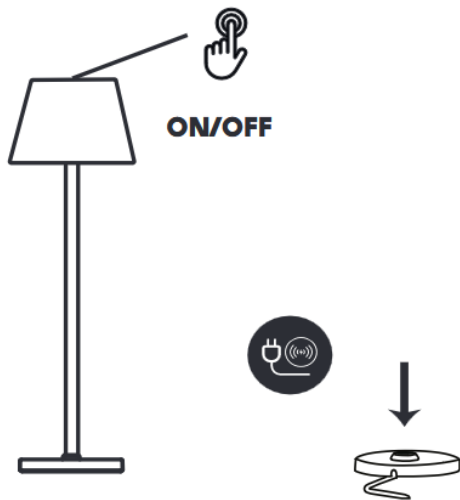

### 3. INSTALLATION INSTRUCTIONS

Place the lamp on its charging base and connect the base to a USB-C port of your choice. The indicator light glows orange during the charging process. It turns green as soon as the battery is fully charged. Charging time is approximately 2 hours. Fully charge your device before using it for the first time. This lamp must be charged indoors.

### 4. INSTRUCTIONS FOR USE

Be sure to use the product as described in the instructions. Incorrect use may damage the product or its environment. This product is designed for both indoor and outdoor use. To switch your device on or off, press the ON/OFF button (Touch control). To change the light intensity, press and hold the button and select your lighting.

## 5. MAINTENANCE INSTRUCTIONS

Average duration of light on full charge: 7 hours.

## 6. MAINTENANCE INSTRUCTIONS

Always switch off the luminaire before cleaning it. Clean exterior parts only with a soft cloth.

## 7. TROUBLESHOOTING AND TECHNICAL CHARACTERISTICS

In the event of a malfunction, do not disassemble the device yourself. The electrical parts of this device may only be dismantled by an authorized person or by the manufacturer himself.
