**LUMME To Go Cordless Rechargeable Blender**

## Specifications

- **Product:** LUMME Cordless Rechargeable Blender To-Go
- **Features:** Cordless, Rechargeable, Portable
- **Includes:** Blender, Charging Cable, User Manual
- **Capacity:** Blender Cup
- **Cleaning:** Dishwasher-safe blender cup, wipe the base unit with a damp cloth

## Product Usage Instructions

### Getting Started

- Before using the blender for the first time, ensure it is fully charged using the provided cable. This will optimize battery life for your blending needs.

### Operating Instructions

- Fill the blender cup with your ingredients, secure the lid, and press the blend button to start blending. The cordless feature allows you to blend anywhere without an electrical outlet. A single charge provides multiple uses.

## **Cleaning and Maintenance**

- To clean the blender, detach the cup and place it in the dishwasher. For the base unit, wipe it with a damp cloth. Remember to turn off and disconnect the blender before cleaning for safety.

## **Safety and Precautions**

- Always ensure the blender is turned off and disconnected from the charger before cleaning. Avoid submerging the base unit in water. Refer to the user manual for detailed safety instructions to ensure a safe blending experience.

## **FAQ (Frequently Asked Questions)**

### **Q: How long does the battery last on a single charge?**

**A:** The battery can last for multiple uses on a single charge, providing convenience for on-the-go blending.

### **Q: Can I blend hot liquids in the LUMME Blender?**

**A:** It is recommended to avoid blending hot liquids in the blender to prevent any damage to the device.

## **Welcome to Your New LUMME Blender!**

- Introducing the LUMME Cordless Rechargeable Blender To-Go, the perfect companion for those who love fresh smoothies, shakes, and blended beverages but are always on the move.
- This innovative portable blender has been designed with your safety and convenience in mind, featuring cutting-edge technology that redefines the blending experience.

## **Getting Started**

- Inside the box, you will find the LUMME Cordless Rechargeable Blender, a charging cable, and a user manual. Before using it for the first time, charge your blender fully using the provided cable.
- This ensures maximum battery life and performance in all your blending adventures.

## **Operating Instructions**

- To use, simply fill the blender cup with your desired ingredients, secure the lid, and press the blend button.
- The cordless feature allows you to blend anywhere, without the need for an electrical outlet.
- A single charge can last for multiple uses, making it your reliable companion for fresh beverages on the go.

## **Cleaning and Maintenance**

- Cleaning the LUMME Blender is a breeze. The blender cup is detachable and dishwasher safe, making cleanup quick and easy.
- For the base unit, a simple wipe with a damp cloth is sufficient to keep it clean and ready for your next blending

session.

Safety and Precautions

- Always ensure the blender is turned off and disconnected from the charger before cleaning.
- Do not submerge the base unit in water.
- Follow the user manual for detailed safety instructions and proper handling to ensure a safe and enjoyable blending experience.

**WARNING: To Use With LUMME Blender**

Introducing the LUMME Cordless Rechargeable Blender To Go, the perfect companion for those who love their smoothies, shakes, and blended beverages but are always on the move. This powerful and portable blender has been designed for convenience and portability, making blending easy anywhere, anytime.

**Getting Started**

Thank you for purchasing the LUMME Cordless Rechargeable Blender. It is designed to be easy to use and simple to clean. Please read the instructions carefully before using the blender. The product is designed to be used as a personal blender for smoothies, shakes, and blended beverages. It is not intended for use as a food processor or for other heavy-duty tasks.

**Assembly Instructions**

To use, simply attach the blade to the motor unit. The blade is attached to the motor unit by a small tab. Push the tab into the slot on the motor unit. The blade is now attached and ready to use. Please refer to the diagram for the correct assembly.

**Cleaning and Maintenance**

Cleaning the LUMME Blender is easy. The blender can be disassembled and cleaned with warm soapy water. Rinse thoroughly and dry before reassembling. The motor unit should be wiped clean with a damp cloth. Do not immerse the motor unit in water. The motor unit should be stored in a dry, cool place.
