	Cover not seated or sealed properly against base unit	Reseat cover

To keep your diffuser in great working order, we recommend using Alcyon Diffuser Cleanser to clean regularly.

Alcyon Diffuser Cleanser – Revive and restore your diffuser like new. Most manufacturers recommend cleaning your diffuser every few weeks to remove impurities. Run for a 2-hour cycle and eliminate all the residual sediment and harmful particles left over from essential oils which impairs mist output and therapeutic performance. Alcyon Diffuser Cleanser makes it easy to keep your diffuser working like new so you can enjoy all its health benefits and get the full effect and pleasure from essential oil and aromatherapy.

To purchase please visit: www.alcyon.com.au

Directions: Pour 50 to 100ml of diffuser cleanser into water tank of diffuser depends on its size. Add same amount of water to dilute the cleanser. Run diffuser for 2 hours or until all cleanser in the tank has been diffused. Remove any excess cleanser and rinse water tank thoroughly then wipe it clean with a soft cloth. Resume normal use as per manufacturers operating instructions.

Ingredients: Aqua, Potassium Lauryl ~Sarcosine, Potassium Cetyl Glycinate, peg-6 Caprylic/capric Glycerides, beta-glucan, Dmdm Hydantoin, aroma

Caution:

For external use only. In case of contact with eyes, flush thoroughly with water. If eye irritation persists, get medical attention.

Keep out of reach of children and pets.
