Product Warranty

The LP630V3 has a Limited Lifetime Warranty Against Manufacturer’s Defects from time of purchase. For warranty claims please contact us by calling **801-553-8886** or sending an email to [info@simpleproducts.com](mailto:info@simpleproducts.com)

MODES	LUMENS	RUN TIME	BEAM DISTANCE
			
High	630 1m	2h 30m	265
Medium	1901m	8h	120m
Low	40 1m	20h 15m	25m
Strobe	6301m	—	—

Operation Instructions

**On/Off:** Press and release the button on the tail cap to turn the light on and off.

**Cycle Modes:** Press button repeatedly to cycle through modes (High/Medium/Ultra-Low). If light remains in a single mode for longer than 3-5 seconds, the next press of the button will turn then light off.

Light automatically resets to High mode when turned off.

**Hidden Strobe On/Off:** Press and hold button for 3 seconds to activate hidden strobe. Flashlight will remain in hidden strobe mode until it is deactivated by pushing and holding the button for 3 seconds again.

**Focus Head:** To focus the light beam, gently push the head away from the light to extend it. Pull the head back towards the light to widen the beam.

## Battery Replacement

Re-insert battery case into flashlight with the metal knob and arrow on the side of the battery case both pointing down. Re-attach the tail cap by pressing down lightly and turning it clockwise until tight

If you know it will be a while between uses, we suggest removing the batteries from the flashlight and storing it in a dry, protected place.
