OUTFITTING YOUR ADVENTURES

# OUT-IN-ABOUT BOX™ 2.0 *Shelf Kit*

Part: 000-RN-17096  
Manual Number -956

# Welcome Your New Out-in-About Box™ 2.0 Shelf Kit!

**Thanks for purchasing the Shelf Kit  
for your new Out-In-About Box™ 2.0!**

This kit is designed to help you organize your gear more effectively with two long shelves and six dividers, allowing you to arrange them however you need to keep your gear organized and accessible.

This instruction sheet provides the necessary information for the assembly of the Renlicon Out-In-About Box™ 2.0 Shelf Kit. If you need any additional information or any help along the way, please contact our Customer Service team at (530) 893-5244.

## WHAT YOU'LL NEED

Before you begin assembling your Out-In-About Box™ 2.0 Shelf Kit, please take a moment to review the assembly instructions carefully and verify that all parts are included in your kit. If you have any questions or discover any missing or damaged components, please contact our Renlicon Team at (530) 893-5244—we're here to help!

## TOOLS (not included)

- 1/8" Hex Key
- 3/8" Wrench

ITEM	DESCRIPTION	QTY
1	All-Thread Screw	8
2	Bolts	18
3	Nuts	18

## ASSEMBLY

**NOTE:** Your Out-In-About Box™ 2.0 is sold separately and should already be put together.

### Install The Shelf Mounting All-Thread Screws

1. Insert a total of 8 All-Thread Screws into the pre-drilled holes—4 in the front and 4 in the back of the box—hand-tightening until they stop (no tools required). The 2 Long Shelves can be placed at your choice of three pre-drilled height positions to customize spacing.

Provided Short Dividers and Long Dividers will be used later for further customization. See photo to the right for the default configuration. (See Diagram A)

DIAGRAM A

DIAGRAM B

### Attach The Dividers

2. It's time to decide on your shelf configuration! We recommend determining your desired layout before proceeding with assembly.
3. Align the Long Shelves [A] with the installed All-Thread Screws [Item 1] and slide them into place at your desired heights. Ensure the front and back hooks are resting on the All-Thread Screws [Item 1] to lock them in place. No additional hardware is required for this step. (See Diagram B)
4. Using all 18 included Bolts [Item 2], Nuts [Item 3], your 1/8" Hex Key, and your 3/8" Wrench, attach the Short Dividers [B] and Tall Dividers [C] to the Long Shelves [A]. Since the top and bottom dividers share Bolts, install each set simultaneously.

## **Congratulations! Your Out-In-About Box™ 2.0 is now fully equipped with shelves.**

Fill as needed with all your essential gear and enjoy!
