Welch Allyn, Inc. is a subsidiary of Hill-Rom Holdings, Inc.

UNITED STATES
REPAIR PARTS AND SERVICES PRICE LIST

Effective Date October 1, 2021

WELCH ALLYN, INC.

DIRECT TERMS and CONDITIONS OF SALE

- 1. Acceptance of Terms:** Welch Allyn, Inc. (WA) agrees to sell to Buyer the Products listed in the associated purchase order on the express condition that Buyer agrees to accept and be bound by the following terms and conditions of sale. Any changes to these terms and conditions must be communicated in writing and approved by WA.
- 2. Price and Taxes:** Unless otherwise specified, all pricing for the Products offered are based on WA's list price in effect at the time of quotation or receipt of Buyer's purchase order, whichever is lower. Prices do not include applicable excise, sales, use, transfer or other similar taxes, which shall be paid by Buyer. Unless otherwise specified, all prices shown are F.O.B. shipping point.
- 3. Terms of Payment:** Payment terms are the same as for WA new product purchase.
- 4. Delivery and Risk of Loss:** Unless otherwise specified, title and risk of loss of the equipment shall pass at the F.O.B. point. All shipping costs, including insurance, will be invoiced to Customer.
- 5. Acceptance & Inspection:** All equipment delivered will be examined by Buyer promptly upon receipt. Buyer shall notify WA of any discrepancies in the shipment in writing within ten (10) days after receipt. If installation by WA is included in the order, Buyer shall accept the equipment upon the completion of installation, which shall include functional tests where necessary to assure conformance to specifications. Unless otherwise agreed, installation will be scheduled by Buyer within thirty (30) days after receipt of the equipment, or Buyer shall be deemed to have accepted the equipment.
- 6. Warranty:** Most parts carry a 90-day warranty for functional defects; however, Due to electrical static discharge (ESD), circuit boards, displays and electronic components have no warranty. All requests for warranty coverage must receive a Return Material Authorization (RMA) from WA prior to return.
- 7. Returns for Credit:** Only unopened boxes, with no damage can be returned for credit. A 20% restocking fee is applicable for all parts returns. All requests for returns must receive a Credit Return Authorization from WA prior to return. Parts returned for credit that appear to have been removed from the original packaging will be returned to the customer with no credit given.
- 8. Services and Support:** All Products purchased from WA carry standard service and support. The base level of service includes parts and labor, and is provided at no charge to Customers during the warranty period. Additional service agreements may be purchased thereafter. Details of service agreements specific to the product being purchased are available on request. Items sent to Welch Allyn for service may be charged a minimum basic service fee. Call 1-800-535-663 or visit www.welchallyn.com to obtain a returns authorization or order parts.
- 9. Limitation of Liability:** In no event shall WA be liable for lost profits, goodwill or any other special or consequential damages.
- 10. Software/Firmware:** WA retains all its rights, title and interest in its proprietary software/firmware contained in the Products, except that purchase or transfer of the Products includes a limited license to use the software contained therein as provided in the software license associated with such software. The Buyer may not reproduce or disclose to any third party any portion of such software/firmware and may transfer it only in conjunction with a transfer of the Product and recipient is subject to the same restrictions.
- 10. Governing Law:** This transaction shall be governed by the law of the State of New York, United States.
- 11. Assignment:** Buyer will not assign any rights or delegation of duties under these Terms and Conditions of Sale without the prior written consent of WA.
- 12. Excusable Delays:** If the performance of any obligation, except payment of monies due, is prevented, restricted or interfered with by reason of any act or condition whatsoever beyond the reasonable control of the affected party, the party so affected, upon giving prompt notice to the party to whom performance is due, shall be excused from such performance to the extent of such prevention, restriction or interference.

NOTES	
1	Add standard licence 104245 for model 8400 or 8500
2	Restricted to Welch Allyn Service Centers
3	Complete handle module including 2 handles.
4	104584 will be the most common. Identify by 2 silver grommet holes through the housing. Holes are absent with 104270.
5	Requires SW 1.70.03 or later
6	Cardboard holder for shipping
7	Single handle with cord
8	To replace failed module only. Not to be used for an upgrade.
9	No longer supported in software version 2.30 and later
10	Requires software version 2.20 and later
11	Requires software version 2.30 and later
12	For devices manufactured before the 47th week of 2017 (designated by last 4 digits of serial number)
13	For devices manufactured after the 47th week of 2017 (designated by last 4 digits of serial number)
14	For devices that are unable to run Host SW 2.40.01 or later
15	Requires Host SW 2.40.00 or later
16	Requires Comms board 107166 (labeled as 410389-04) or later
17	Requires Host SW 2.40.01 or later
