Portable Phone Holder

K: 43-499-526 | T: 70-363-487

Multi-scenario Use

Made in China

Multi-angle Adjustment Design

Suitable for desktop or wall of different thickness

Depending on your phone model, choose whether you need a metal ring.

If your phone has its own magnetic properties, it can be attached directly to the stand.

If your mobile phone does not have magnetism, you will need to attach the metal ring(included) to the mobile phone first and then attach it to the stand. Your phone can also be used the case with suitable ring for attaching this phone holder.
