Beds

A good day always starts with a good night

Feeling your best when you wake up starts with the right bed. In this buying guide, you will find all our beds, including bed frames with and without storage, day beds, guest beds, loft beds, bunk beds and divan beds. You will also get an overview of our bed accessories, such as headboards and bed storage boxes.

Of course, a bed is not complete without a mattress and bedding. You can test and find the best mattress for you in the mattress studio. The textiles department has a wide range of quilts, pillows and bed linen.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.com for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

Bed frames

A complete bed frame with mattress consists of these parts:

1. Choose a bed frame and size.
2. SKORVA midbeam (901.245.34) is needed for most double beds. It is included in the price of the bed frame, but is picked up separately in the self-serve furniture area. For upholstered bed frames, the midbeam is included in both the price and packaging.
3. For most bed frames, you will also need to choose a slatted bed base, see more on pg 07. For upholstered bed frames, the slatted bed base is included in the price and packaging.
4. Choose a mattress or use the one you have at home. You can find the best one for you in the mattress studio.
5. Add a mattress topper of your choice for a softer sleeping surface.
