for travel tripods

8kg

PV-14 Closed Bridge
for full sized tripods

15kg

PV-18 Open Bridge
for full sized tripods

VIDEO HEADS

Arca compatible video heads that are designed to fit any tripod

VIDEO HEAD SPECIFICATIONS

Closed Bridge

Traditional design with attachment point either side

Open Bridge

One attachment point to reduce weight

All Models

All the models in the VEO PV Video Head Series are machined using the latest computer numerical control (CNC) technology.

This allows Vanguard to use the best quality materials, remove and recycle excess material to minimise weight, while using the advanced machinery to deliver the smoothest finish for a fluid movement.

Arca compatible clamp system

Quick release plates include non-twist pin

Adjustable tension for tilt

Ideal for:

- Content creators
- Long lenses
- Spotting scopes
