HAMILTON
— MOTOR COMPANY —

READ BEFORE USE

1. For audio to play via CarPlay/Android Auto, ensure OEM system is in "Aux" mode and phone is connected to new Bluetooth network only.
2. Long hold Menu button on mouse (12-15RX) or voice hangup button on steering wheel (09-11 RX) (3 seconds) to switch between Hamilton interface and original interface.
3. Disconnect battery before starting installation. Full install video available on Hamilton YouTube channel.

Hold **MENU** for 3 seconds to swap between OEM and Hamilton OS

For 12-15 RX with mouse, it connects physically under your mouse.
