

# ACME Wireless Over-Ear ANC Headphones

Maintaining an active lifestyle is hard as it is, so having the perfect soundtrack at all times is essential. No long pauses, no distracting noise. That is exactly what the new ACME BH316 Wireless Over-ear ANC headphones are here for. Active Noise Cancelling feature will let you decide when you are prepared to have some extra noise in your life. And if one second you decide to just “log off” for a bit and fully submerge into the perfect playlist – do it whenever you want. Really, whenever! Continuous play time – up to 23 hours, full charge – in just 1 hour! Even if you run out of charge, stay unstoppable – we left the classic 3.5 mm socket just in case you need to use the passive mode for a bit!
