

# Quad Door Refrigerator Freezer, 83cm, 508L, Water

Black | French hinge

Switch Zone™ technology and Humidity Zone drawers help to create the ideal environment for various foods, with a modern flat door design.

- Switch Zone™ compartment lets you change the temperature between -18°C and +5°C
- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge
- Advanced Anti-Bacterial Treatment (ABT) technology reduces bacteria\*
- Door water dispenser with a refillable interior water tank

## DIMENSIONS

|        |         |
|--------|---------|
| Height | 1775 mm |
| Width  | 830 mm  |
| Depth  | 705 mm  |

## FEATURES & BENEFITS

### Switch Zone™ flexibility

When you need extra space, Switch Zone™ lets you change the bottom right compartment to fridge or freezer. Change it back just as easily, or select any temperature from -18°C to +5°C.

### Even cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

### Anti-Bacterial Treatment (ABT) protection

### Considered design

With a modern flat door and horizontal recessed handle, this fridge is designed to fit into common kitchen cavity heights.

### 4.5 star energy rating

This quad door refrigerator looks after your fresh foods with an impressive 4.5 star energy rating.

### Lasting freshness

Two Humidity Zone drawers provide ideal humidity-controlled conditions to store your fresh fruit and vegetables.
