

Velop Wall Mount

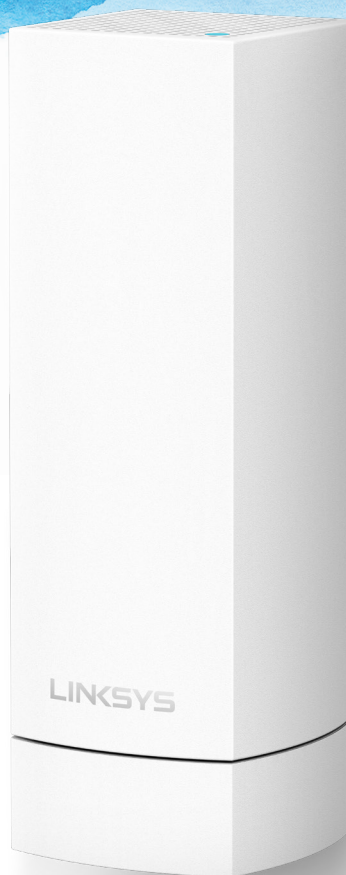

Position Velop Anywhere

The Velop Wall Mount merges Velop's universal design and functionality for the perfect space-saving solution for homes and businesses. Its modern, sleek design matches both Dual-Band and Tri-Band nodes perfectly. This seamless fit means Velop will look stunning on both horizontal surfaces and walls. Which gives you the freedom to place nodes in many locations. For home use, place nodes on desks, countertops, a wall near a stairway or in a hallway. For businesses, place Velop on walls in lobbies, areas near conference rooms or in hallways, for a valuable space-saving solution. The Velop Wall Mount's flexibility opens up the possibilities to places nodes where you never thought possible.
