

How do I manually reset my Jabra Evolve 65e earbuds to the default settings?

When you reset your Jabra Evolve 65e earbuds, previously paired devices and settings will be cleared.

To reset, follow these steps:

1. Ensure the earbuds are turned on, and that you are not on a call.
2. Simultaneously press and hold (5 seconds) the **Volume up** button and the **Multi-function** button.

Note

After resetting, you will need to re-pair the earbuds with the Jabra Link Bluetooth adapter using Jabra Direct.
