

The Tiguan

Price and specification guide

Effective from 1.4.2020

The Tiguan. A new world at your fingertips.

Clear shapes, sharply sculpted lines: with its distinctive design the Tiguan makes its mark visually straight away. It is a look that promises much – and lives up to it. Numerous design elements consistently continue the stylistic features in the vehicle interior. And thanks to a host of connectivity services, you are always well ahead on the data highway. Through trendsetting technology, a comprehensive range of standard equipment and confident handling characteristics, the Tiguan supports you with everything you want to reach – whether it's off-road, on road or online.

Model shown is Tiguan R-Line Tech with optional Head-up Display and premium signature paint.
Front cover model shown is Tiguan R-Line Tech with optional Head-up Display and premium signature paint.

The highest quality materials combine with ergonomic styling to bring you an interior that is as comfortable and refined as it is well designed and practical. The Tiguan offers flexible seating and stowage options, enabling you to transport long and bulky loads with ease. This, combined with a wealth of equipment designed to provide both comfort and convenience, creates the perfect environment for any journey.

01 Functionality and ergonomics go hand in hand in the Tiguan. The **premium quality centre console** is purposely angled towards the driver for optimum driving convenience, placing the impressive 8.0 inch colour touch-screen and infotainment system easily within reach and every switch and control intuitively to hand. With controls optimally positioned and information clearly in view, driving the Tiguan is so much fun.

02 Contemporary upholsteries and decorative inserts coordinate perfectly to create a modern interior, while **front seats featuring height adjustment** and a height and reach adjustable steering wheel ensure maximum driving comfort whatever the terrain. Interior shown is Tiguan SEL.

On road or off-road, the adventure starts here.

The Tiguan boasts a smart look that's longer and lower than previous models, providing more interior space and helping to improve drive and handling. Sharp lines, stylish alloy wheels and details such as LED daytime running lights, along with deeper front air intake grilles on R-Line Tech models, give a look that is dynamic, strong and unmistakably Volkswagen. High torque engines and 4MOTION Active Control, with a choice of driving modes, provide optimum handling even in challenging weather conditions or terrain.

Model shown is Tiguan SEL 4MOTION with optional 20" 'Miramar' grey metallic alloy wheels, Dynamic Chassis Control (DCC) and metallic paint.

01

02

01 Daytime running lights feature LED technology for greater visibility, and fit flush with the **LED headlights with Dynamic Light Assist**, enhancing the Tiguan's sporty look. Standard on SEL and R-Line Tech. Optional on Match models. Model shown features optional premium signature paint.

02 All 4MOTION models feature **4MOTION Active Control** which allows you to adapt your Tiguan to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models.

Model prices.

Cars registered on or after 1.4.2020.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.4.2020. For more information, please see [www.volkswagen.co.uk/need-help/wltp](#) or consult your authorised Volkswagen retailer. 2 The recommended 'On the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020. For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, [please click here](#) 3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. 4 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details. 5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish. ‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](#). SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit [www.volkswagen.co.uk/technology/engines/adblue](#) for more details. RDE2 refers to Real Driving Emissions Step 2.

Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

– 'Oil service' including oil filter change

– 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 APRIL 2020.

Tiguan S.

The Tiguan does not follow trends, it sets them. Although the entry level Tiguan, this model features an impressive range of driver assistance systems as well as many comfort and convenience features too. For example, Lane Assist and Front Assist provide extra reassurance on every journey by monitoring the Tiguan's position in relation to the road, as well as potential hazards on the road itself. The Composition Media infotainment system with 8.0 inch colour touch-screen and proximity sensor allows pairing of two compatible devices via Bluetooth¹ as well as a host of other features. With exterior design highlights such as the radiator grille's chrome detailing and the stylish 17 inch 'Montana' alloy wheels, the Tiguan is right up your street.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

Model shown is Tiguan S with optional metallic paint.

01

02

01 The Tiguan's **comprehensive airbag system** includes curtain airbags for front and rear passengers, front seat side impact airbags, driver's and front passenger's airbags with passenger's airbag deactivation switch and a driver's knee airbag.

02 The black grained wheel arches not only provide protection to the exterior paintwork, they also provide the frame for the stylish 17 inch '**Montana**' alloy wheels. Both which perfectly complement the Tiguan's crisp sculpted lines.

[The Tiguan](#)[Model prices](#)[Standard equipment](#)[Comfort and Convenience](#)[Infotainment and connectivity](#)[Safety and driver's assistance systems](#)[Factory-fitted options](#)[Accessories](#)[Alloy wheels](#)[Paint](#)[Upholstery](#)[Combinations](#)[Dimensions](#)[VED and additional 'On the road' costs](#)[Environmental information](#)[AdBlue®](#)[CO₂ emissions, BIK % and VED Bands with optional wheels](#)[Company car taxation chart and comparison](#)[Volkswagen service and service plan](#)

01 The Composition Media infotainment system is equipped with an impressive 8.0 inch colour touch-screen with proximity sensor that recognises in advance your intention to touch the screen and automatically magnifies the display mode. Features also include DAB digital radio receiver, USB connection for compatible products and SD card reader. The media system also includes Bluetooth telephone and audio connection for compatible devices¹, simultaneous pairing of two compatible mobile devices, SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display to a compatible Android smartphone (while the vehicle is stationary), title and compatible cover art display and facilitates music playback from MP3, WMA and AAC files through eight speakers, front and rear. Finally, car information display and ‘Think Blue. Trainer.’ – provide journey analysis and driver tips on your journey.

02 All 4MOTION models feature **4MOTION Active Control** which allows you to adapt your Tiguan to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models.

03 The Front Assist monitoring system combines **Predictive Pedestrian Protection with City Emergency Braking**, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and avert potential accidents.

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

Arriving calm and relaxed comes as standard with the Tiguan Match model, thanks to the additional driver assistance systems. The leather trimmed multifunction steering wheel allows control of audio and telephone functions without taking your hands off the wheel, with information displayed on the colour multifunction computer. The Discover Navigation system with 8.0 inch colour touch-screen and Car-Net 'Guide and Inform' will not only guide you to your destination, but update you on information during your journey such as traffic congestion and fuel stations, or even news and weather should you wish. Adaptive Cruise Control (ACC) offers you intelligent control of your driving speed by automatically adjusting acceleration and braking, while High Beam Assist will assist by switching between dipped and main beam as required and the Park Assist system with rear-view camera helps with parallel parking and also helps you reverse park into a space at 90 degrees to the kerb. Outside, the rear tinted glass from B-pillar backwards with chrome surround, silver anodised roof rails, front fog lights and dynamic 19 inch 'Victoria' alloy wheels enhance an already impressive exterior.

Model shown is Tiguan Match with optional LED headlights with Dynamic Light Assist and metallic paint.

03 Adaptive Cruise Control (ACC), including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely.

0.

3 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

Interior shown is Tiguan Match 4MOTION with optional metallic paint.

01

02

01 High Beam Assist ingeniously senses the lights from oncoming vehicles and automatically switches between dipped and main beam accordingly. It also senses vehicles you are approaching from the rear and ensures your main beam is dipped in order to avoid dazzling the vehicle in front.

02 3Zone electronic air conditioning with air intensity control and automatic air recirculation ensures a pleasant interior temperature to suit the individual preference of driver, front passenger and rear seat passengers. Rear passengers are able to make adjustments via an electronic control panel conveniently located to the rear of the front centre armrest. A sensor monitors the outside air quality and, if necessary, automatically activates the air recirculation function.

Additional items of standard equipment: Match (over S).

WHEELS AND SUSPENSION

Alloy wheels, four 7J x 19" 'Victoria' with 235/50 R19 mobility self-sealing tyres and anti-theft wheel bolts

EXTERIOR

Black grained lower door protectors with chrome insert (not R-Line Tech)
 Chrome side window surrounds
 Front air intake with chrome strip
 Front fog lights with static cornering function
 Rear tinted glass from B-pillar backwards, approx. 65% tinted
 Roof rails, silver anodised

INTERIOR

Front footwell illumination
 Leather trimmed three-spoke multifunction steering wheel and gear knob. Including paddle shift (auto DSG only)
 Seating
 – Upholstery – 'Rhombus' cloth
 – Driver's and front passenger's under seat drawer (not R-Line Tech models)
 – Foldable front passenger seat backrest
 – Folding tables on the back of front seats. Non-slip rubber coated with cup holder and cable secure hook. 4 adjustable positions, including lectern position for reading or tablet viewing
 – Front comfort seats with manual height and lumbar adjustment
 – Front seat back storage pockets

INTERIOR (CONTINUED)

Load-through provision with two cup holders when folded down
 Reading lights, front x 2
 Storage compartment in roof for sunglasses
 'Titan Silver' decorative inserts in dash and door panels
 Vanity Mirrors, illuminated

SAFETY AND SECURITY

PreCrash preventive occupant protection

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation infotainment system (in addition to Composition Media infotainment system)
 – 8.0" colour touch-screen
 – Branded points of interest
 – Dynamic navigation based on TMC+
 – Preloaded European navigation data
 – Speed Limit Display¹
 – Three route options (Fast, Short, Eco)
 – Volkswagen Media Control² – allows remote control of the infotainment system via smartphone or tablet
 – 2D/3D map view
 2 x USB connection, USB charging socket (compatible products only)

CAR-NET

Car-Net 'App-Connect'³
 – Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'TM allowing 'mirroring' of smartphone display on the infotainment touch-screen via USB connection
 Car-Net 'Guide and Inform'⁴ – 3-year subscription
 – Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds

DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system and City emergency braking system
 Cruise control and speed limiter
 Driver Alert system, fatigue detection (not SEL)
 High Beam Assist (not SEL or R-Line Tech)
 Multifunction colour display
 Park Assist, sensor controlled steering aid to assist parallel or bay parking, optical and audible (not SEL)
 Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system
 Rear-view camera (not SEL or R-Line Tech)

COMFORT AND CONVENIENCE

Climate control – 3Zone electronic air conditioning with automatic air recirculation. Independent temperature control, air intensity and settings for driver, front passenger and rear seat passengers
 Electrically heated and foldable door mirrors, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's door mirror

- 1 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 2 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
- 3 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.
- 4 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Tiguan SEL.

Comfort and convenience move to the next level with the Tiguan SEL and, when combined with high-quality design detail and even higher levels of standard equipment, this really is a formidable vehicle. Sit back and relax in the 14-way adjustable ergoComfort driver's seat which is heated and also has electrically-adjustable lumbar support and massage function. Natural light and fresh air will flood in from the panoramic sunroof. The Active Info Display with 10.3 inch high resolution TFT dash display with customisable menus allows the driver to set and arrange their own preferred dash configuration and will even display the Discover Navigation system's route guidance. The exterior styling is enhanced with LED headlights with LED daytime running lights, silver coloured front underbody protection and rear diffuser, and distinctive 19 inch 'Victoria' alloy wheels.

Model shown is Tiguan SEL with optional metallic paint.

01 The **Active Info Display**¹ provides a system that can be tailored to suit your exact preferences. The fully configurable, interactive 10.3 inch TFT display replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer and a number of items displayed behind. When used in navigation mode in conjunction with the Discover Navigation or Discover Navigation Pro systems, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you are able to include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music's compatible cover art, can also be displayed on the dash conveniently placed directly within the driver's optimum field of vision.

02 Daytime running lights feature LED technology for greater visibility, and fit flush with the **LED headlights with Dynamic Light Assist**, enhancing the Tiguan's sporty new look. Model shown features optional premium signature paint.

03 'Cherry red' rear tail lights, equipped with LED technology for optimum performance and visibility, blend harmoniously into the bodylines, creating a dynamic three-dimensional look.

¹ Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation system, the navigation map cannot be displayed on the Discover Navigation's 8.0" infotainment touch-screen.

Airbags

– Driver’s and front passenger’s knee airbag

COMFORT AND CONVENIENCE

Ambient lighting in front footwell, door sill protectors, light strips below trim in front doors and dashboard

Heated windscreen washer jets

Panoramic sunroof with integrated roller blind

CAR-NET

Car-Net ‘Security & Service’¹

– Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity

– Driver and vehicle integration with Volkswagen call centre or server for: ‘eCall’ – Emergency call service for SOS calls to emergency response incl. Automatic accident notification, Car breakdown, Vehicle health report and Service schedule

– Driver and vehicle integration via Car-Net Portal or Car-Net app for: Driving data, Doors and lights, Area alert, Speed alert, Horn and hazard lights, Parking position and Online anti-theft alarm – 3-year subscription

DRIVER’S ASSISTANCE

Active Info Display, 10.3" high resolution TFT dash display screen with customisable menus and information²

Model shown is Tiguan SEL with optional metallic paint.

¹ Use of Car-Net ‘Security & Service’ is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.co.uk/technology/car-net/security-and-service or contact your Volkswagen retailer.

² Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation infotainment system, the navigation map cannot be displayed on the Discover Navigation’s 8.0" touch-screen.

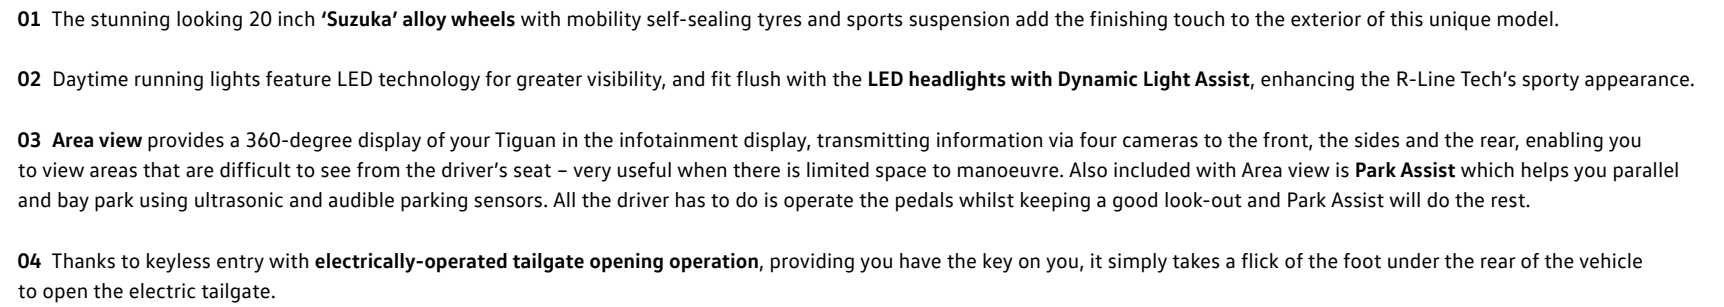

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Exciting, sporty and stylish, the R-Line Tech is no ordinary model. It has its own unique styling inside and out, providing a level of specification that is fitting for a car of this stature adding to the excitement of driving this eye-catching car. Thanks to the 'R-Line' exterior styling pack, it's easy to recognise this distinctive model, with its specially designed front and rear bumpers, black wheel arch extensions, side skirts and 'Piano Black' front air intake and rear diffuser. The radiator grille proudly displays the unique 'R-Line' badging, while the imposing 20 inch 'Suzuka' alloy wheels and front fog lights add the finishing touch, creating a look that's sleek, stylish and distinctively R-Line. Interior styling highlights continue the R-Line theme with the front sports seats, leather trimmed steering wheel and door sill protectors all bearing the exclusive 'R-Line' logo.

01 The muscular look to the front of the R-Line Tech is created by the deep **'Piano Black' front air intake** that surrounds the front fog lights and extends into the R-Line Tech's unique front bumper. Chrome detailing runs across the radiator grille and extends through the LED headlights with LED daytime running lights creating a very distinctive look, while the 'R-Line' badging leaves you in no doubt which special model this is.

02 The first thing you see as you open the driver's door to get in or out of the R-Line Tech is the stylish **aluminium door sill protectors** complete with the 'R-Line' Logo. These stylish protectors not only look good, but protect the sills from the scuffs and scrapes of everyday use.

Model shown features optional premium signature paint.

Additional items of standard equipment: R-Line Tech (over SEL).

WHEELS AND SUSPENSION

Alloy wheels, four 8½J x 20" 'Suzuka' with 255/40 R20 mobility self-sealing tyres and anti-theft wheel bolts

Sports suspension lowered by approx. 15mm (not 2.0 TSI 230 PS DSG or 2.0 BiTDI 240 PS DSG)

EXTERIOR

Body-coloured roof spoiler, rear

'Piano Black' front air intake and rear diffuser

'R-Line' styling pack – 'R-Line' design front and rear bumpers, black wheel arch extensions, body-coloured side skirts with chrome trim

Unique 'R-Line' badging

INTERIOR

Aluminium-look decorative inserts in dash and door panels

Black rooflining

Leather trimmed three-spoke multifunction steering wheel with aluminium inserts and 'R-Line' logo. Including paddle shift (auto DSG only)

Seating

– Upholstery – 'Race' cloth with 'San Remo' microfibre

– Front seats with 'R-Line' logo on rear seat backrest

Stainless steel pedals – clutch, brake and accelerator

Unique 'R-Line' door sill protectors

DRIVER'S ASSISTANCE

Driver profile selection – choice of three settings: Eco, Normal and Sport driving modes

Park Assist with Area view

Progressive steering

COMFORT AND CONVENIENCE

Electrically-operated tailgate opening and closing function, operated via foot movement under rear tailgate, from driver's door or remotely via key fob

Keyless entry, including Start/Stop button

Model shown is Tiguan R-Line Tech with optional Head-up display and premium signature paint.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. Great views, wherever you look.

Whether you are gazing at a clear starry sky or a spectacular skyline, the generous interior in combination with the panoramic sunroof provides not only a sense of space, but clear views from every seat. The ergonomically designed interior and the host of assistance systems make every journey in the Tiguan a pleasurable one whatever the destination.

The **electrically operated, panoramic glass sunroof with integrated roller blind** adds additional light and space, whether open or closed, filling the interior with natural light and providing an inviting view of the sky above. Standard on SEL and R-Line Tech. Optional on all other models. Image shown is Tiguan SEL with optional 'Vienna' leather upholstery.

01-03 From front to rear, everything in the Tiguan is designed to meet your needs. The **rear seats split 40:20:40** and each side can be moved lengthways, giving you various loading options. The rear seats feature a load-through provision and when they're folded down and the rear bench is in the forward position, there's an impressive loading capacity of up to 1,655 litres. The load area is continuously level and can be lowered or removed totally for maximum boot space, thanks to the variable boot floor. Load-through provision is standard on Match models and above. Images shown feature optional Pure White non-metallic paint.

04-05 **3Zone electronic air conditioning with air intensity control and automatic air recirculation** ensures a pleasant interior temperature to suit the individual preference of driver, front passenger and rear seat passengers. Rear passengers are able to make adjustments via an electronic control panel conveniently located to the rear of the front centre armrest. A sensor monitors the outside air quality and, if necessary, automatically activates the air recirculation function. Standard on Match models and above. Optional on S models.

06 Everything about the Tiguan is geared towards providing total comfort and functionality. The **flexible seating** concept allows you to adapt the interior to suit your requirements with all seats, apart from the driver's seat, folding down from Match models upwards. Interior shown is Tiguan SEL with optional 'Vienna' leather upholstery.

A virtual world at your fingertips.

Thanks to Car-Net connectivity you can enjoy a whole range of online services while you travel, helping to make your journey easier, more comfortable and ultimately more informed. As well as enjoying up-to-the-minute information, you can also access many of your favourite apps from your smartphone, all conveniently displayed on the infotainment system's touch-screen display.

Interior shown is Tiguan SEL with optional Discover Navigation Pro touch-screen navigation/DVD infotainment system, Side scan, 'Vienna' leather upholstery and Pure White non-metallic paint.

01 Car-Net 'Security & Service'¹ acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen's call centre or server. In the event of an accident, should the driver activate the 'eCall' button or the airbags are deployed triggering the 'eCall' service, Volkswagen's Emergency Centre will be contacted directly. Key information such as the condition and location of the vehicle will be sent to emergency response units. In the event of minor incidents, the 'Automatic accident notification' can send location and vehicle details to the Volkswagen Emergency Centre should the driver wish. Additional data is also shared including details of 'Car breakdown', 'Vehicle health report' and 'Service schedule' ensuring your vehicle's information is always up to date.

The service also allows vehicle information to be accessed via the Car-Net Portal or Car-Net app, via a laptop or smartphone, from the comfort of your home or even the office. Information such as 'Driving data', the status of 'Doors and lights', 'Area alert', 'Speed alert', remote control of 'Horn and hazard lights', 'Parking position' and 'Online anti-theft alarm' can be easily accessed and monitored – 3-year subscription included. Standard on SEL and R-Line Tech models. Optional on S and Match models.

¹ Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.com/car-net or contact your Volkswagen retailer.

[Configure now >](#)

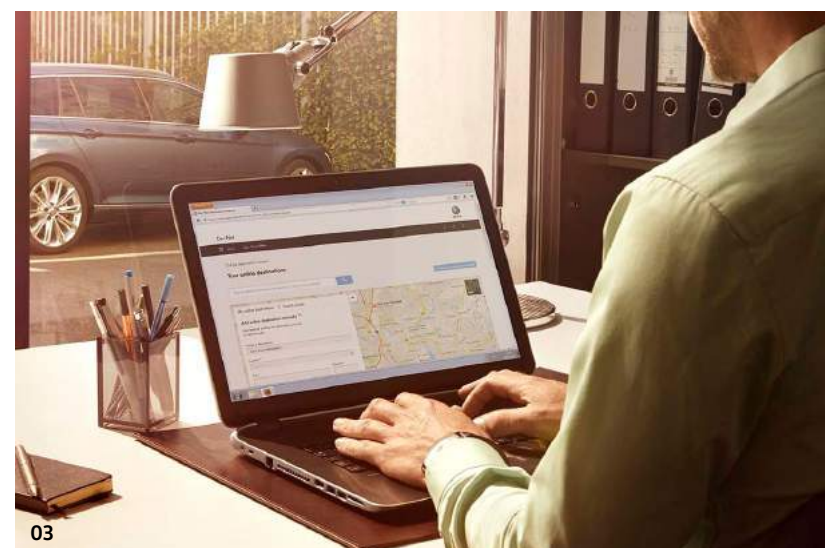

01 With Car-Net 'Guide and Inform'¹, your Tiguan becomes a mobile network using your smartphone's Wi-Fi hotspot. You can access up-to-the-minute information directly from the internet, enabling you to benefit from continually updated information while you travel, such as online traffic information, fuel pricing, weather and news feeds. Car-Net 'Guide and Inform' includes 3-year's online navigation software updates enabling you to download the latest map data to keep you up-to-date. Another useful feature is 'Destination Input' that allows you to send locations to your navigation system, where they will be displayed on the colour touch-screen ready for your journey ahead. Car-Net 'Guide and Inform' is standard on Match models and above, and optional on S models as part of the Discover Navigation touch-screen navigation/infotainment system. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD infotainment system. Please contact your authorised Volkswagen retailer for full details.

Opting for the Discover Navigation Pro touch-screen navigation/DVD infotainment system means that you can benefit from even more features with 'Guide and Inform Plus'¹, which has an Online POI Search which displays places in the area requested either by voice command or text entry. These can be downloaded from the internet and are always up to date. Optional on Match models and above.

02 Volkswagen apps such as 'Think Blue. Trainer', 'Shared Audio', 'Drive & Track' or 'My Guide' can help to make your journey more pleasant and interesting, providing useful tips about handling your car, parking opportunities and even where to find the closest café. Volkswagen Apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Car-Net 'App-Connect' is standard on Match models and above. Optional on S models.

03 The Volkswagen Car-Net Destination Import allows you to search for destinations from the comfort of your home or office and send them directly to your Tiguan's navigation system. Simply log into the Volkswagen Car-Net portal, click 'Online destination import' and search for wherever you wish to go. Find your destination, save it, name it, and then send it to your Tiguan's navigation system. Your named destinations will then be displayed under 'My Destinations' on the main navigation display screen, it's that easy. You can also similarly send your 'Personal points of interest' from your computer or tablet and download them to your Tiguan's navigation system and they will appear on the navigation screen as you drive. Standard on Match models and above, and optional on S models as part of the Discover Navigation touch-screen navigation/infotainment system.

¹ Car-Net 'Guide and Inform' and 'Guide and Inform Plus' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of all 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of all 'Guide and Inform' services.

Trendsetting. And leading.

Route guidance, vehicle status centre and infotainment system – the infotainment and navigation systems of the Tiguan are real multitaskers. Apart from controlling several online services they also enable connection to a mobile or compatible smartphone. All the functions can be intuitively operated via the high-resolution touch-screen, from the navigation system, apps and connectivity functions to the extended sound functions of the optional ‘Dynaudio Excite’ soundpack.

01 Depending on which smartphone you have, you can connect **Car-Net ‘App-Connect’**¹ via one of three interfaces: Apple ‘CarPlay’, Google ‘Android Auto’ or ‘MirrorLink’™, allowing your smartphone display to be ‘mirrored’ on the infotainment touch-screen via USB connection and giving access to your favourite smartphone functions, such as music, messages, phone and news. Volkswagen apps such as ‘Think Blue. Trainer.’, ‘Shared Audio’, ‘Drive & Track’ or ‘My Guide’ can help to make your journey more pleasant and interesting by providing useful tips about handling your car, parking opportunities and even where to find the closest café. Volkswagen Apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Standard on Match models and above. Optional on S models. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD infotainment system.

02 The **Composition Media infotainment system** is equipped with an impressive 8.0 inch colour touch-screen with proximity sensor that recognises in advance your intention to touch the screen and automatically magnifies the display mode. Features also include DAB digital radio receiver, USB connection for compatible products and SD card reader. The media system also includes Bluetooth telephone and audio connection for compatible devices², simultaneous pairing of two compatible mobile devices, SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display to a compatible Android smartphone (while the vehicle is stationary), title and compatible cover art display and facilitates music playback from MP3, WMA and AAC files through eight speakers, front and rear. Finally, car information display and ‘Think Blue. Trainer.’ – provide journey analysis and driver tips during your journey. Standard on S models.

1 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.
 2 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

01 The **Discover Navigation touch-screen navigation/infotainment system with Car-Net 'Guide and Inform'**¹ builds upon the impressive Composition Media system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers Volkswagen Media Control², which allows remote control of the infotainment system via a smartphone or tablet, preloaded European navigation data, 2D/3D map view which can be easily followed on the 8.0 inch colour touch-screen, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display³. 3-year's Car-Net 'Guide and Inform' access makes it possible to integrate 'traffic information online' into route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel station location and pricing, weather and news feeds. Standard on Match models and above. Optional on S models.

02 The **Discover Navigation Pro touch-screen navigation/DVD infotainment system with integrated voice activation, 'Gesture Control', Car-Net 'Guide and Inform Plus'**¹ and **Car-Net 'App-Connect'**⁴ can be operated intuitively via the 9.2 inch colour touch-screen, enabling you to manage music and navigation data. Also featured is gesture control for use with various different menus, responding to a sideways swiping gesture and confirming a successful swipe with a sound effect, which can be deactivated if required. Eight powerful speakers deliver great acoustics and the DVD system is compatible with MP3, WMA and AAC files. It also offers a 64 GB SSD hard drive, two SD card readers, photo display from JPEG and PNG files, voice control and USB connection. The Discover Navigation Pro also features 'Guide and Inform Plus' providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds. In addition, the Car-Net 'App-Connect' combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'[™] allowing 'mirroring' of a smartphone display on the infotainment touch-screen via USB connection. Display and operation of certified apps including audio and voice control (if supported by the app). Optional on Match models and above.

03 The **'Dynaudio Excite' soundpack**⁵ will deliver impressive acoustics on any journey's soundtrack. Incorporating an eight channel digital amplifier, Dolby Pro Logic surround sound, Digital Signal Processor (DSP), subwoofer and 400 watt output through eight high performance speakers. Optional on Match models and above.

- 1 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.
- 2 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
- 3 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 4 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.
- 5 Must be ordered in conjunction with ambient lighting pack on Match models.

Not just any interior. It's yours.

You know best what makes you feel good. That's why the Tiguan offers a choice of options with which you can perfectly tailor your Tiguan to your individual needs. For example, the fully configurable Active Info Display or the innovative Head-up Display. Once comfortably seated, all displays and functions can be optimally viewed and reached thanks to the ergonomically arranged centre console that is perfectly angled towards the driver.

01 The Active Info Display provides a system that can be tailored to suit your exact preferences. The fully configurable, interactive 10.3 inch TFT display replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer and a number of items displayed behind. When used in navigation mode in conjunction with the Discover Navigation¹ or Discover Navigation Pro systems, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you are able to include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music's compatible cover art, can also be displayed on the dash conveniently placed directly within the driver's optimum field of vision. Standard on SEL and R-Line Tech models. Optional on Match models

02 The Head-up Display² rises from its position behind the dashboard into the driver's primary field of vision at the press of a button. Driving information, including current speed, navigation details and traffic data, is projected onto the retractable screen and transparently displayed, helping to reduce the amount of time that the driver's eyes are averted from the road. Optional on Match models and above.

03 Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system. Standard on Match models and above. Optional on S models. Image shown is Tiguan SEL 4MOTION with optional metallic paint.

04 The Park Assist system not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Tiguan steers itself into its chosen space. Standard on Match and R-Line Tech models. Optional on all other models.

1 When the large navigation map is displayed on the full Active Info Display in conjunction with the Discover Navigation system, the navigation map cannot be displayed on the central 8.0 inch colour touch-screen.
2 Please note, use of polarised lenses may impair the visibility of the Head-up Display.

01 The Tiguan effortlessly tows a trailer or caravan and, depending on your choice of engine, can tow up to a maximum weight of 2.5 tons¹. **Trailer Assist including Park Assist and rear-view camera** helps you reverse more easily and accurately with a trailer or caravan hitched. The optical display visualises actual and possible steering angles in the instrument cluster. Reverse steering is automatic, with direction controlled via the mirror adjustment switch which acts as a joystick, while the driver controls the pedals and keeps a good look out. Optional on Match and SEL models. Only in conjunction with the optional swivelling towbar.

02 The **rear-view camera** displays the area behind your vehicle on the screen of the vehicle's infotainment system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible. Standard on Match models. Optional on S and SEL models.

03 **Dynamic Chassis Control (DCC)** allows you to select Sport, Comfort or Normal settings for your journey with a touch of a button, and adapts the damping control and shock absorption rate to the road conditions and driving style you require within milliseconds. Image shown is for illustration purposes only and may not necessarily reflect UK specification. Standard on 2.0 TSI 230 PS DSG and 2.0 litre BiTDI 240 PS DSG and optional on Match models and above.

1 Maximum towing weight is dependent on vehicle specific equipment. The exact towing weights of individually configured vehicles, if required, must be obtained from the manufacturer before the purchase order is completed.

Intelligent driving. Smart choice.

With its numerous intelligent technologies and driver assistance systems, the Tiguan provides a reassuring and confident driving experience even in the most challenging driving situations.

01 Lane Assist is a camera controlled warning system that warns you if your vehicle drifts out of its lane helping to reduce the chance of an accident and helping to make long motorway journeys safer. Using a camera located in the rear-view mirror unit, it monitors the road markings and prevents unintentional lane deviations. The system only intervenes if the indicators are not used, so if you decide to change lanes and indicate, the intelligent system recognises this and switches off. Standard on all models.

02 High Beam Assist ingeniously senses the lights from oncoming vehicles and automatically switches between dipped and main beam accordingly. It also senses vehicles you are approaching from the rear and ensures your main beam is dipped in order to avoid dazzling the vehicle in front. Standard on Match models. Optional on S models.

04 Park Assist with Area view. Four separate cameras, located in the rear tailgate, door mirrors and radiator grille, provide a 360-degree view around the Tiguan, helping you to manoeuvre with confidence in any direction. The driver can select up to twelve possible views of the vehicle, from the front, rear or side, on either full or split-screen displayed on the infotainment system's screen. Should you specify the optional Discover Navigation Pro system, you will also gain a bird's-eye view around your Tiguan. Not in conjunction with rear-view camera. Standard on R-Line Tech models. Optional on all other models.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

01 The Emergency Assist system monitors the driver’s inputs, such as acceleration, braking and steering and helps, within the system’s limits, to possibly prevent accidents. The Adaptive Cruise Control (ACC) and Lane Assist work hand in hand with this. If the driver fails to respond, the system prompts the driver, by means of gentle brake application, to correct the steering and automatically applies the brakes. Adaptive Cruise Control (ACC) monitors the distance to the vehicle ahead while Lane Assist ensures the vehicle stays within its lane. Emergency Assist alerts other road users by means of hazard warning lights and safely brakes the vehicle to a complete standstill if necessary. The driver can override the assistance function at any time and regain control of the vehicle. Only in conjunction with DSG Gearbox. Optional on Match models and above

02 Adaptive Cruise Control (ACC), including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely. Standard on Match models and above.

03 Side Scan provides assistance if you want to change lanes from speeds of 37mph upwards. Sensors in the rear of the vehicle monitor the traffic and should they detect any road users in your blind spot or vehicles approaching quickly from behind, the system will alert you via a warning light within the door mirror housing and an audible warning within the vehicle. The parking assistant monitors the area behind and next to your vehicle, alerting you if it detects a vehicle or object, and automatically instigating an emergency stop if a collision is imminent. Optional on Match models and above.

04 The Front Assist monitoring system combines **Predictive Pedestrian Protection with City Emergency Braking**, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to [CO₂ emissions, BIK % and VED Bands with optional wheels section](#).

Accessories.

Make a statement and further enhance your Tiguan by choosing from our wealth of stylish, innovative and sporty Volkswagen accessories. Choose from the high-quality carrier systems to the practical protection solutions and select the accessories to perfectly match your lifestyle.

01 Front rubber floor mats – set of two

The Volkswagen Genuine all-weather rubber floor mats protect your vehicle's interior against dirt and moisture. They are designed to fit perfectly, are easy to clean and have a non-slip underside. The integrated model lettering is a particular visual highlight. The floor mats are also 100% recyclable, very sturdy and durable. The material used allows the Genuine all-weather floor mats to be considerably lighter than standard floor mats. Part number: 5NC 061 502 82V

Rear rubber floor mats – set of two (not shown)

Part number: 5NA 061 512 82V

02 Boot mat – variable loading floor

The practical and extremely robust Volkswagen Genuine luggage compartment tray protects the luggage area against dirt and prevents items from sliding around. The plastic tray fits perfectly and is washable and acid-resistant. The surrounding raised rim of approximately 4cm prevents liquids running out onto the vehicle floor. Part number: 5NA 061 161

03 Front mudflaps – set of two

Long lasting and durable, the Volkswagen Genuine mudflaps effectively protect the underbody and bumpers against excessive dirt. They also significantly reduce the impact of dangerous road chippings and water spray. Part number: 5NA 075 101

03 Rear mudflaps – set of two

Part number: 5NA 075 111

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Models shown features optional metallic paint.

[The Tiguan](#)[Model prices](#)[Standard equipment](#)[Comfort and Convenience](#)[Infotainment and connectivity](#)[Safety and driver's assistance systems](#)[Factory-fitted options](#)[Accessories](#)[Alloy wheels](#)[Paint](#)[Upholstery](#)[Combinations](#)[Dimensions](#)[VED and additional 'On the road' costs](#)[Environmental information](#)[AdBlue®](#)[CO₂ emissions, BIK % and VED Bands with optional wheels](#)[Company car taxation chart and comparison](#)[Volkswagen service and service plan](#)

Protection.

01 Flexible boot liner

The Volkswagen Genuine flexible boot liner for vehicles with variable luggage compartment floor is light, flexible and perfectly shaped to fit the contours of your vehicle. The edge provides adequate protection against moisture and dirt and goods are effectively prevented from slipping. If the flexible boot liner is not required, it can simply be rolled up so that it takes up less storage space.

Part number: 5NA 061 160

02 Luggage net

Ensures that everything stays in its place and items do not slide around. This tear-proof net with integrated pocket is easy to fit with hooks attached to the standard lashing rings in the boot area.

Part number: 5N0 065 111

03 Upper partition grille

Safety first, the sturdy Volkswagen Genuine metal partition grille separates the luggage compartment from the passenger compartment. It is quickly and easily fitted, and just as easily removed with only a few quick motions.

Part number: 5NA 017 221

04 Rear sill cover – transparent

The transparent loading sill protection film is designed to fit your vehicle perfectly, protecting the bumper against scratches when loading and unloading the luggage compartment.

Part number: 5NA 061 197

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Models shown features optional metallic paint.

Travel and transport.

01 Volkswagen roof box – 340 litres – black

Take the pressure off the boot when you next head away on holiday and pack all those essentials into one of these stylish Volkswagen roof boxes. In black, they not only fit a lot in, they look the business too. 340 litres, maximum load capacity 50kg.

Part number: 000 071 200

02 Bicycle holder

Safely transport bicycles on the roof of your vehicle. The wheel rails are aerodynamically designed and ensure the bicycle is correctly positioned. They enable you to use both hands to fix the wheels and frame. Thanks to the quick-fastening system, the bicycle holder is easy to fit onto the roof bars, without using any tools. The carrier also includes anti-theft protection. Suitable for maximum down tube widths of 80mm, bike weights of up to 20kg.

Part number: 000 071 128 F

03 Load bars

The Volkswagen Genuine supporting rods are the ideal base system for all attachments. The aerodynamic aluminium profile supporting rods are City Crash Plus tested to Volkswagen's strict standards and can accommodate items such as a surf board holder (000 071 120 HA), bicycle holder (000 071 128 F), ski and snowboard holder (000 071 129 N) or a practical roof box (000 071 200/000 071 200 AA/000 071 200 FA) The supporting rods are delivered pre-assembled and are easy to attach to the roof rails of your Volkswagen. The supporting rods can be locked to prevent theft. A torque wrench is also included.

Part number: 5QF 071 151

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Models shown features optional metallic paint.

VED and additional ‘On the road’ costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2020. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

‘FIRST YEAR RATE’ VED – CARS REGISTERED ON OR AFTER 1.4.2020 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel[†] – ‘First year rate’ VED

CO ₂ emissions (g/km)	Petrol/Diesel [†] VED £	Petrol total ‘On the road’ costs £
0	0.00	690.00
1-50	10.00	700.00
51-75	25.00	715.00
76-90	110.00	800.00
91-100	135.00	825.00
101-110	155.00	845.00
111-130	175.00	865.00
131-150	215.00	905.00
151-170	540.00	1,230.00
171-190	870.00	1,560.00
191-225	1,305.00	1,995.00
226-255	1,850.00	2,540.00
Over 255	2,175.00	2,865.00

Diesel[‡] – ‘First year rate’ VED

CO ₂ emissions (g/km)	Diesel [‡] VED £	Diesel total ‘On the road’ costs £
0	0.00	690.00
1-50	25.00	715.00
51-75	110.00	800.00
76-90	135.00	825.00
91-100	155.00	845.00
101-110	175.00	865.00
111-130	215.00	905.00
131-150	540.00	1,230.00
151-170	870.00	1,560.00
171-190	1,305.00	1,995.00
191-225	1,850.00	2,540.00
226-255	2,175.00	2,865.00
Over 255	2,175.00	2,865.00

Alternative fuel – ‘First year rate’ VED

CO ₂ emissions (g/km)	Alternative fuel VED £	Alternative fuel total ‘On the road’ costs £
0	0.00	690.00
1-50	0.00	690.00
51-75	15.00	705.00
76-90	100.00	790.00
91-100	125.00	815.00
101-110	145.00	835.00
111-130	165.00	855.00
131-150	205.00	895.00
151-170	530.00	1,220.00
171-190	860.00	1,550.00
191-225	1,295.00	1,985.00
226-255	1,840.00	2,530.00
Over 255	2,165.00	2,855.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the ‘First year rate’ VED the majority of vehicles move to the ‘Standard rate’ of vehicle tax which is £150 a year.

The ‘First year rate’ will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £475 a year, after the first ‘First year rate’ vehicle tax, for a period of five years. This comprises the £150 ‘Standard rate’ and £325 additional rate. After five years the vehicle tax will revert to the ‘Standard rate’ of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £465 a year after the ‘First year rate’ vehicle tax for a period of five years. This comprises the £140 ‘Standard rate’ and £325 additional rate which reverts to £140 ‘Standard rate’ after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £325 a year for a further five year period, after the ‘First year rate’ tax. After the five year period these vehicles will pay zero VED tax.

‘STANDARD RATE’ VED

‘Standard rate’ VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	‘Standard rate’ 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	150.00
Alternative	1 - Over 255	140.00

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

‘STANDARD RATE’ – OVER £40,000 RRP

‘Standard rate’ VED for vehicles over £40,000 list price – five year annual rate

Fuel type	‘Standard rate’ 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	325.00	325.00
Petrol/Diesel	150.00	325.00	475.00
Alternative	140.00	325.00	465.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £475 a year after the ‘First year rate’ for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £465 a year after the ‘First year rate’ for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £325 a year after the ‘First year rate’ for a period of five years. After five years, vehicles will revert to their ‘Standard rate’ tax depending on fuel type.

ADDITIONAL ‘OTR’ COSTS

Additional ‘On the road’ costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total ‘On the road’ costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable ‘First year rate’ VED charge plus the ‘On the road’ costs as detailed above.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 APRIL 2020.

SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit www.volkswagen.co.uk/technology/adblue for more details.

RDE2 refers to Real Driving Emissions Step 2.

EFFECTIVE FROM 1 APRIL 2020.

AdBlue®.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle’s exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Tiguan	18 litres	Next to fuel filler nozzle	3,000 to 4,000 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle’s paintwork, for example, wipe them off and if necessary rinse the area with water

CO₂ emissions, BIK % and VED Bands with optional wheels.

Cars registered on or after 1.4.2020.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

5-DOOR RANGE.			Output, PS	Standard wheel size	CO ₂ emission, g/km ¹ , WLTP test cycle, standard wheels	First year VED £, standard wheels	BIK % with standard wheel size ²	Optional alloy wheel and size	CO ₂ emission, g/km ¹ , WLTP test cycle, optional alloy wheels	First year VED £, optional wheels	BIK % with optional wheel size ²

CO₂ emissions, BIK % and VED Bands with optional wheels.

Cars registered on or after 1.4.2020.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

Company car taxation chart – tax year 2020/21.

Cars registered on or after 1.4.2020.

How to calculate your company car income tax liability – effective 6.4.2020

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator. Full details can be found at www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.
2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

VOLKSWAGEN INSURANCE²

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit www.insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit www.insurewithvolkswagen.co.uk

SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

SERVICING AND MAINTENANCE (CONTINUED)

Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000⁴ and a maximum of 20,000⁴ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Electric vehicles

Vehicles powered only by an electric motor require a Fixed Service schedule as follows:

- Inspection service – First after 2 years or 20,000 miles (30,000km), whichever is soonest.
- Subsequent services every 1 year or 20,000 miles (30,000km), whichever is soonest.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

VOLKSWAGEN ENSURANCE⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.insurewithvolkswagen.co.uk/insurance

- 1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
- 2 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.
- 3 The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 4 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see www.volkswagen.co.uk/technology/engines/adblue for more details.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

Starter rate 19% over £11,850 - £13,850

Basic rate of 20% over £13,850 - £24,000

Intermediate rate 21% over £24,000 - £44,273

Higher rate 41% over £44,273 - £150,000

Top rate 46% above £150,000

FUEL CONSUMPTION AND CO₂ EMISSIONS

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, [please click here](#) for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What’s more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer’s scheduled services:

- ‘Oil service’ including oil filter change
- ‘Oil service’ including oil filter change and ‘Inspection service’ plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x ‘Oil service’ and 1x ‘Oil and Inspection service’. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)
