Caution

1. Do not attempt to disassemble or replace any parts of the earbuds.
2. Avoid putting the earbuds in water or any other liquid, as they are not waterproof.
3. If any liquid accidentally enters the product, immediately disconnect and remove the connection.
4. Ensure your hands are dry when installing or uninstalling the product to prevent the risk of electric shock.
5. Keep the product away from heat sources or direct exposure to fire.

6. Do not place the product in environments with strong electromagnetic forces, as this may cause malfunctions.

Specifications

Model	PDSTLM12
Rated Input	5V/300mA
Battery Case Capacity	300mAh
Earbuds Capacity	38mAh
Charging Interface	Type-C
Bluetooth Version	V5.4
Playtime	5H
Recharge Time	2H
Wireless Transmission Range	≥10M
Bluetooth Frequency	2.4-2.48GHZ

Charging Guide

Connect the charging bay to a 5V power adapter using the Type-C charging cable.

Note: If the voltage drops below 3.4V, a low voltage warning will occur every 60 seconds, accompanied by a voice prompt: "Battery low."

Pair Left and Right Earphones	The main headset flashes white.
Successful Connection	Turn off the light.
Disconnect	The main headset flashes white.
Earphone Charging	The white light stays on.

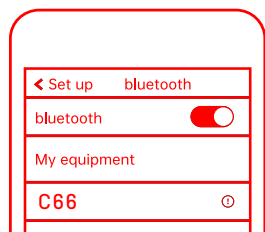

Instruction for Use

- 1. Power On:** Remove the headset from the charging case to turn it on, or press and hold the touch button for 5 seconds to power it on manually.
- 2. Power Off:** Place the headset back into the charging case to turn it off, or press and hold the touch button for 5 seconds to manually power it off.
- 3. Pairing and Connecting**
 - 3.1** Open the charging case and take out the earphones. The left and right earphones will automatically power on.
 - 3.2** If the headset was manually powered off, it will enter pairing mode once the Bluetooth on your mobile phone is turned off.
 - 3.3** When pairing, select "PD_STWS_12" from the Bluetooth list on your phone. Once the pairing is successful, the earphones will announce "TWS Connected" or "TWS Connected Successfully."
- 4. Switch Language Prompt Tone:** If the headset is in pairing mode but not

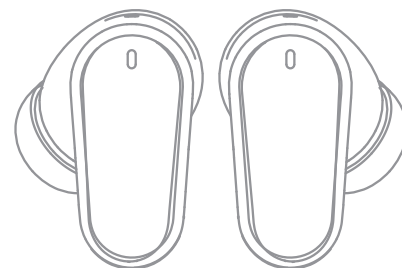

connected to the mobile phone, press the touch button on either earphone four times to switch between English and Chinese voice prompts.

5. Auto Power-Off: If the headset remains in pairing mode without connecting to a device, it will automatically power off after 3 minutes.

6. Automatic Reconnection

Connection Successful
Voice prompt: "TWS Connected"

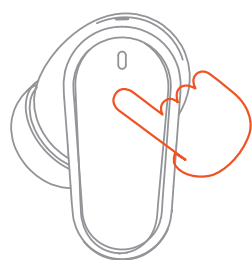

1. Once the left and right earphones are powered on, they will automatically reconnect.

2. After the headset is successfully paired with the mobile phone, it will automatically reconnect to the phone when turned on, as long as the phone's Bluetooth is enabled.

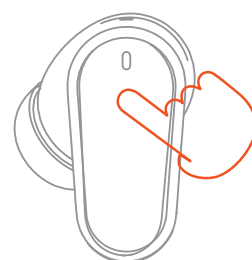

Touch Function Guide

Voice Assistant

Enable Siri: Press and hold the touch button on either earphone for 3 seconds.

Music Playback

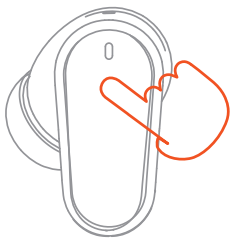

Play/Pause: Tap the touch button on either earphone.

Previous Song: Triple-tap the touch button on either earphone.

Next Song: Double-tap the touch button on either earphone.

Call Management

Answer an Incoming Call: Tap the touch button on either earphone.

Hang Up: Tap the touch button on either earphone.

Reject a Call: Press and hold the touch button on either earphone.

Material Content Table

Part Name	Harmful Material					
	Pb	Hg	Cd	Cr (VI)	PBB	PBDE
Circuit Board	○	○	○	○	○	○
Small Structures	○	○	○	○	○	○
O: Indicates that the content of the hazardous substance in all homogeneous materials of the part is below the limit required by GB/T 26572. X: Indicates that the hazardous substance in at least one homogeneous material of the part exceeds the limit requirements specified in GB/T 26572. The parts marked with "X" in the form are considered harmful due to global technological limitations. These substances may be substituted as technology advances.						
Printed Circuit Board Components: This includes printed circuit boards and their parts, electronic components, etc. Depending on the product model, the earbuds you purchased may not contain all of the components listed above.						
	Electronic and electrical products sold in the People's Republic of China must display this logo. The number in the logo represents the product's environmental protection use period under normal conditions.					

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
