RETURN & WARRANTY

Thank you for choosing our product!

We would like to take this opportunity to thank you for choosing VINGLI.

We hope that you are completely satisfied with your purchase, and enjoy it for years to come.

Your satisfaction is our highest pursuit.

Return policy

VINGLI believes you will absolutely love your furniture, but if for some reason you want to return the product, please contact us directly before you decide to return your product to the retailer. Our Customer Service organization can answer most concerns and can assist you with any questions you may have about your new product.

The item must be returned in good condition, in original box, with all original proof of purchase, parts and accessories, within the time frame specified by the retailer it was purchased from.

Warranty

VINGLI warrants this product to be free from defects in material and workmanship agrees to remedy any such defect. This warranty covers one year from the date of original purchase. This is solely limited to be repair or replacement of defective parts and no assembly labor is included.

This warranty does not apply to any product which has been improperly assembled, subjected to misuse or abuse or which has been altered or repaired in any way.

Components repaired or replaced warranted through the remainder of the original warranty period only. The defective components will be repaired or replaced without charge, subject to the terms and conditions described above.

For help with assembly, identifying parts, product information or to order parts, please contact us freely.

BEFORE STARTING

Before Using Product

- Read each step carefully before starting. It is very important that each step is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.

- Make sure all parts are included. Most board parts are labeled or stamped on the raw edge.

- Prepare a flat and Philips screwdriver (not included)
A Power Screwdriver is recommended.

- Work in a spacious area and near where the unit will be used, preferably on a carpet, or use a piece of the cardboard packaging to protect your floor and product.

- For a smooth assembly process, we suggest you keep a lite tightness for all the screws during assembly. After the whole product is assembled, firmly tighten all the screws.

⚠ WARNING:

- Do not allow children to climb on unit
- Serious or fatal crushing injuries can occur from furniture tip-over. To prevent this furniture from tipping over, it must be permanently fixed to the wall. Fixing devices for the wall are not included since different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home. For advice on suitable fixing systems, contact your local specialized dealer
- Avoid sharp objects or corrosive chemicals to prevent damage to the product.
- During assembly, keep parts and packaging materials away from children and pets as there could be potential injury and choking hazards

Align the slides on the drawer and cabinet, and then gently push the drawer into the cabinet.

Drawer Disassembly

If you need to remove the drawer, lift the lever on the left side slide upward and push down the lever on the right side slide, then slowly pull out the drawer.

1.What should I do when I received a defected item?

Please feel free to contact VINGLI customer service via the link where you purchased this item with your order ID, pictures of the defective areas to us. We are eager to help you to make it right.

2.Is it easy to put the screws to the panels?

Yes. As long as you follow the instrusction and use the correct screws and put it in the correct holes, it is easy to screw it into pre-drilled holes.

3.What should I do if I have a problem with the drawers not closing flush?

The problem with the drawers not closing flush is usually caused by the assembly of the drawer slides.Here are the solutions as below:

1)Please check whether the slide rail is damaged,for example,the ball of the slide rail has fallen out,if so,please ask us for replacements of the drawer slides;

2)Refer to the assembly manual to check if the holes for the slide rail are assembled correctly.If there is no problem with the assembly,but the slide rail is stuck in the process of pushing in,please release the entire drawer as you did the first time you removed the drawer slides,and then push it back in again.

Any query,please contact us directly.
