

Zebra EM45 Enterprise Mobile — Built for Work. Designed for You.

Zebra EM45 Enterprise Mobile combines the power of Zebra with the sleek, ergonomic feel of a smartphone. With dual profile capabilities, eliminate the need for multiple devices, efficiently supporting both work and personal profiles within a single, intuitive device.

Ideal for field sales, drivers, store managers, and more—offering instant communication and the flexibility to seamlessly use both personal apps and enterprise solutions powered by Zebra.

With the power to unlock AI capabilities, a cutting-edge processor, and a high-performance camera, EM45 delivers a fast, reliable experience. A battery with up to 25 hours of life¹ supports your workforce all day long, while enterprise-level security and authentication protect your operations. Plus, Zebra DNA software suite simplifies setup, deployment and device management, reducing IT complexity because all your devices can now run on the Zebra platform.

From retail to field services and healthcare to transportation and logistics, companies already trust Zebra—now they can unlock even greater potential to empower their enterprise workforce. Zebra EM45—**Built for work. Designed for you.**

Sleek, ergonomic & personalized

Enterprise-ready features wrapped into consumer style ergonomics.

50MP high-performance camera

Richly detailed photos, 4k video quality, and fast data capture.

AI-capable processor

QCM5430 8-core AI-capable processor with 8GB RAM, 128GB storage.

Extended lifecycle and support

3 years of sale and 3 more years of service. Comprehensive Zebra OneCare service plan.

Multiple profile capabilities

Dual SIM and corporate/personal profile separation for seamless user experience.

Workstation on demand

Create a workstation on demand. Convert your EM45 into a complete desktop interface by simply docking EM45 into a Workstation Connect Cradle.

Enterprise-grade durability

IP68 sealing and 4ft drop (5ft with case) exceeding MIL-STD 810H.

Comprehensive connectivity options

Supports 5G, Wi-Fi 6E, BLE 5.3, and NFC.

All-day battery

Up to 25 hour battery for all-day productivity with smart charging.¹

Renowned Zebra DNA software platform

Simplify IT management and security with rich tools for setup, management, and deployment.

Enterprise-level security

Facial and fingerprint biometrics with Identity Guardian and multi factor authentication.

Digital wallet ready

CPOC payment support enables contactless payment with any NFC-enabled bank card or mobile wallet. EM45 also supports contactless non-payment items in digital wallets such as guest event tickets, boarding passes, loyalty cards and more.
