

LG Subscribe™

LG CareShip

Care you can count on, always.

Say Hello to Effortless Care.

Introducing LG CareShip.

Care you can count on, always.

Your LG Subscribe™ products deserve more than just a one-time setup — they deserve consistent care to keep performing like the day you brought them home. That's where LG CareShip comes in.

It's a hassle-free, scheduled maintenance service designed to keep your LG PuriCare™ Water and Air Purifiers in tip-top shape — so your family continues to enjoy cleaner, fresher air and purer water every day.

With regular visits from trained LG professionals, you'll get:

- Thorough system check-ups to ensure optimal performance
- Filter replacements done right on schedule
- Expert cleaning and tune-ups to extend product lifespan
- Peace of mind knowing your home environment stays safe and healthy

Whether it's for your drinking water or the air you breathe, LG CareShip is your behind-the-scenes hero, helping you and your loved ones live better, effortlessly.

Why Choose LG CareShip?

1 Plan 0 Worries.

Year-round freshness starts with a well-maintained LG Subscribe™ Product.

Why Regular Product Maintenance is Key to Longevity & Performance?

Why It Matters:

1. Reliable Water Quality

Regular filter replacement ensures that your purifier consistently delivers clean and safe drinking water, removing impurities and providing peace of mind.

2. Maximized Efficiency

Well-maintained units perform at their best, reducing energy consumption and preventing costly breakdowns.

3. Longevity of Your Investment

Regular servicing helps you get the most out of your water purifier, prolonging its lifespan and maintaining top-notch performance.

What LG Provides:

At LG, we make it simple for you. With professional maintenance services and easy filter replacement, you can rest easy knowing your water purifier is in expert hands.

Water Purifiers

Regular Visit Plan

Including 2 Visits Per Year (Once Every 6 Months)

1st Visit

- Product Sanitation
- Product Features & Functions Inspection
- Change Filter (Follow Schedule)

2nd Visit

- Product Sanitation
- Product Features & Functions Inspection
- Change Filter (Follow Schedule)
- Change Internal Pipe*

Hassle Free Regular Visit Maintenance Process:

1. Preparation

Wash your hands, wear gloves, and clean the surroundings before performing water purifier maintenance.

2. Filter Removal

Perform operation & test mode checking on washer to identify issues (if any).

3. Filter Head Cleaning

Complete product sanitation starts by using a sterilization kit and cleaning the filter head with a brush.

4. Filter Installation

Insert the new filter by turning it clockwise and push it back into position.

5. Final Steps

Make sure the arrows on the filter joints are aligned, close the filter cover, then press and hold the 'cold' button for 3-5 seconds to reset the filter.

6. Explanation & Complete

Explain functions, guide nozzle cleaning, complete service card, and note next maintenance.

*For WD210MN model, press and hold "Light" and "Volume" button for 3 seconds to reset the filter.

*Internal pipe change is available on WD112, WD210, WD512, WD515, WS410 only.

*Features of the product may vary from model to model. Creative visualization is for illustration purposes only.

*Images are for demonstration purpose only. LG reserve the right to modify the maintenance process without prior notice.

Self-Service Plan

Filter delivery 2 Times Per Year (Once Every 6 Months)

Hassle Free Self-Service Maintenance Process:

1. Preparation

Open the filter cover.

2. Filter Removal

Remove the filter by turning to anti-clockwise.

3. Filter Head Cleaning

Clean the filter head with brush.

4. Filter Installation

Assemble the new filter by turning clockwise.

5. Final Steps

Push the filter back to position.

6. Final Check

Ensure the arrow mark on the filter joint is aligned.

7. Reassemble Cover

Close the filter cover.

8. Filter Reset & Complete

Press and hold "cold" button 3-5 seconds for filter reset.*

*For WD210MN model, press and hold "Light" and "Volume" button for 3 seconds to reset the filter.

*Features of the product may vary from model to model. Creative visualization is for illustration purposes only.

*Images are for demonstration purpose only. LG reserve the right to modify the maintenance process without prior notice.

Combine Maintenance Plan

Get the best of both worlds for total peace of mind!

Combination Plan Perks:

1x Filter delivery (Self-Service) +
1x Pro Service Visit annually (Regular Visit)

Stay in Control with Easy Self-Service

Effortless Maintenance for Peace of Mind with Regular Visit

- Step 2. Remove filter
- Step 3. Clean filter head
- Step 4. Install new filter
- Step 5. Perform final check
- Step 6. Reassemble cover
- Step 7. Reset filter and finish
- Step 8. Final explanation and completion

*The Combined Maintenance Plan provides a self-service filter delivery in the first 6 months and a professional service regular visit in the following 6 months. This fixed cycle continues throughout the warranty period, with a total of 1x Filter Delivery and 1x Regular Visit per year. Images are for illustration purposes only and may differ from actual products. For continual products development, LG reserves the right to change specifications, availability and pricing without further notice. T&Cs Apply.

Air Purifiers

Why Regular Product Maintenance is Key to Longevity & Performance?

Why It Matters:

1. Pure Performance Always

Dust, allergens, and pollutants don't take breaks—and your purifier shouldn't either. Regular maintenance ensures peak performance and cleaner, healthier air.

2. Longer Lifespan

Taking care of your LG PuriCare™ 360° Air Purifiers means it'll take care of you for years to come. Replace filters on time, clean it gently, and it'll be your loyal guardian.

3. Longevity of Your Investment

Taking care of your device means it'll take care of you for years to come. Replace filters on time, clean it gently, and it'll be with you for a long time.

What LG Provides:

At LG, we make it simple for you. With professional maintenance services and easy filter replacement, you can rest easy knowing your air purifier is in expert hands.

Regular Visit Plan
