the guarantee brochure.

### Plan less, live more

ENHET is easy to buy and equally easy to update if you need to, or simply feel like it. You can choose between ready-made combinations online and buy your favourite with a few clicks. All parts are easy to assemble, intuitively and without any special tools.

The playful design in different colours inspires you to adapt ENHET to reflect your personality. With a combination of closed cabinets and open shelves in stable metal frames you can display your favourite things and hide the rest. The ENHET kitchen units also come in different widths and depths, making them easy to adapt to a smaller space.

All the products (shown here) may not be available at the store. Please contact the staff or look at [www.IKEA.my](http://www.IKEA.my) for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

# Services

**You can do everything by yourself, but you don't have to.** Our broad service offer gives you the freedom to design your own price tag by choosing not only the products that suits your budget but also deciding how much you want to do yourself and how much you want us to do for you. For more details, call our Customer services, talk to a co-worker at your local IKEA store or visit us at [IKEA.my/services](#)

## Measuring

If you want to be sure that your room drawing is as accurate as possible, we measure the room and check everything, from the placement of windows, doors, and power sockets to the material and condition of the walls.

## Planning

Get help with the planning of your new kitchen, by booking an appointment with one of our experts at IKEA. You bring the measurements and drawing or a picture of the area – we help you with inspiration and functional solutions for everything, from the placement of cabinets and appliances, desks and storage to lighting, sinks and wash-basins.

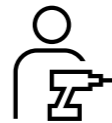

## Delivery

Whether you're shopping in store or online, and no matter how big the purchase, we'll do the heavy lifting and bring it to your home or business. We deliver on a day and at a time that suits you.

## Kitchen installation

If you want to make things smooth and easy for you – we'll install your new kitchen and coordinate the job from start to finish. We handle all those time-consuming jobs like fitting sinks, taps and worktops. And you can rest assured that the installation of gas/electric appliances is done properly. We also take the packaging with us when your kitchen is in place.

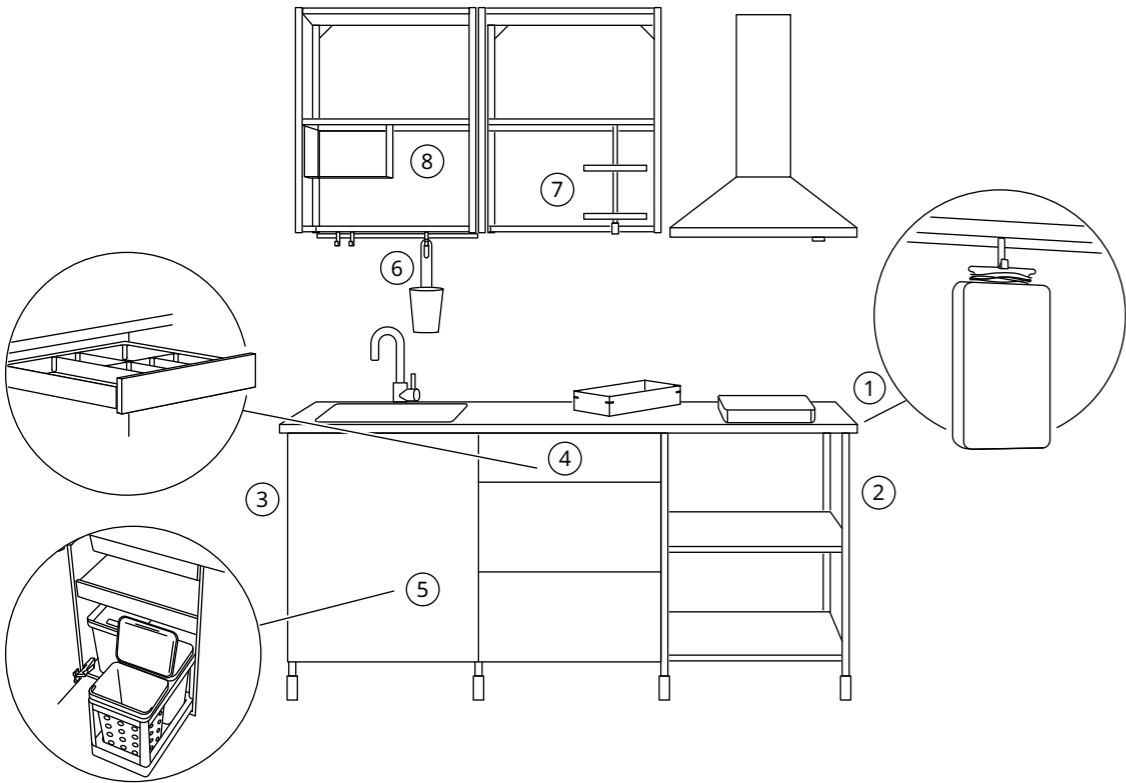

## Assembly

Sometimes it's nice to have someone else put your furniture together. We're happy to do it for you. Getting us to put it together can be a real time-saver.

# Organise your kitchen

A well organised kitchen is a kitchen you'll love spending time in. When planning what your kitchen should include, think of how you want to utilise your workspace, cabinets and open frames in the best possible way based on your personal needs.

There is a wide range of accessories designed to be combined with ENHET open frames to add more functionality and versatility to your ENHET solution.

1. A freestanding/flexible hob can be hanged on hooks on the side of the open base frame to get a larger workspace to prepare cooking.
2. An open frame frame under the hob, gives a good overview and makes it easy to reach the pots, pans and small appliances needed when cooking.
3. For a fully functional kitchen place a fridge/freezer next to the solution. Or turn it into a laundry station by placing a washing machine next to the storage solution.
4. By using drawers you have handy storage for the smallest utensils to the largest pots. With drawers that pull-out almost all the way, you get a good overview and easy access to the content. To organize the content of your drawers, use trays, boxes and plate holders.
5. To utilise the volume of the sink cabinet, use HÅLLBAR waste sorting solution. With waste sorting under the sink you can reduce spills that come from moving waste from sink to bin.
6. ENHET rail for hook and hooks and SKATTÅN containers allow you to utilise every centimeter for storage under the wall frame to free up workspace on the worktop.
7. ENHET swivel shelf gives you quick and easy access to items like spice jars and espresso cups.
8. ENHET hanging shelf insert helps create storage space between the shelves in the ENHET open frame.

# Add-on combinations

## Add space for activities

Your kitchen is the heart of your home and has to be both beautiful and functional over time. ENHET can easily be extended with units that offer more storage opportunities and maybe room for dining or simply hanging out. With this in mind we have created a wide range of different add-on combinations, which suit different needs and help you use your space efficiently.

### Storage

A small-space home inspires smarter living. With everything in its place, in a combination of open storage to display your favourite things and cabinets with doors and fronts to hide any clutter, you can create a calm and inviting atmosphere even in a smaller kitchen. Add some high cabinets that offer great storage opportunities without demanding too much floor space or an open wall frame for the items that you use frequently.

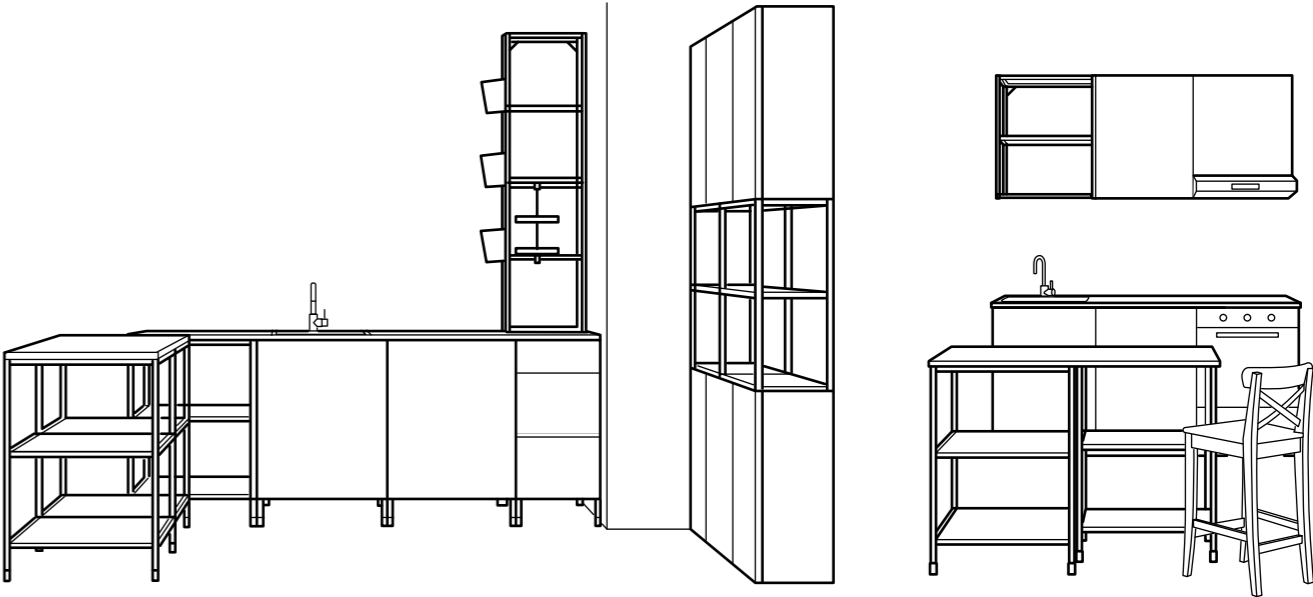

### Workspace

Cooking is easier when you have plenty of workspace, which is why ENHET offers several units that you can add to your solution. A kitchen island, for example, is perfect for unloading groceries, preparing and presenting food, and it also increases your storage area with its open base frame. ENHET cabinets and frames are not only great for storing kitchen items, but double as worktops with space for the things you use every day, such as a portable hob or a coffee machine.

### Seating

Even in a small space, there are many possibilities to turn your kitchen into an inviting place where everyone likes to sit down and spend a lot of time. A kitchen island creates a pleasant area in your ENHET kitchen where you can sit down for a quick bite, or where you and your friends and family can cook together or simply hang out. Play around with deep and shallow frames to create space for a stool or chair when you want it tucked away.

## ENHET complete kitchen + ENHET add-on combination

# ENHET add-on combinations

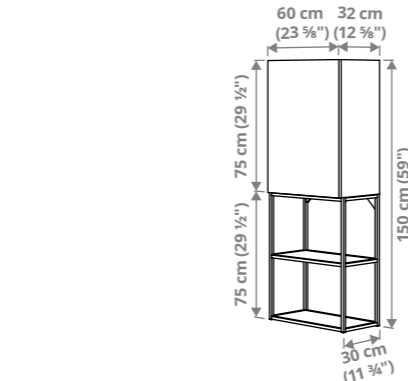

**Note!** Appliances and lighting products not included.

ENHET is all about simplicity and the possibility to change and adapt your home when your life changes. No matter what happens, everyday life becomes much easier when all things can be found in their designated place, especially if floorspace is limited. That is why we have developed these combinations that can be added on to your ENHET kitchen units to create extra work and/or storage space. Pick the one that best suits your needs and helps you use your space efficiently.

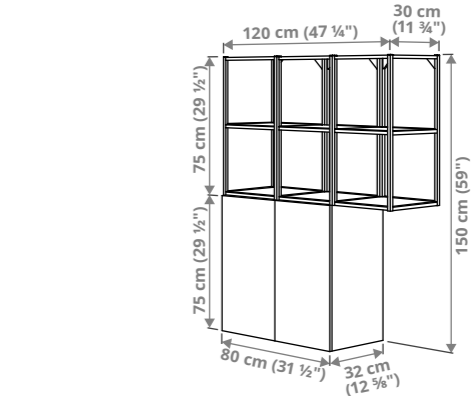

**ENHET A100 Wall storage combination** 60×30×255 cm.  
This combination hides the clutter and puts the things you love on display. The high cabinet provides ample storage for food, towels and detergents without taking up too much floor space. Perfect for making the best use of wall space in smaller spaces. The open wall frame with 2 shelves gives a good overview and easy access to jars, bottles and things often used. You can easily add ENHET accessories to extend the use of your storage combination.

This combination with	White frame		Anthracite frame

**ENHET A102 Wall storage combination** 60×30×150 cm.  
This combination offers just the place for waste bins or a washing machine. The open wall frame makes good use of the space under the cabinet. It gives a good overview an easy access to jars, bottles and things often used. The space under the open frame is a smart spot to hang towels, place a freestanding waste bin or why not use it to park your trolley? This combination can also serve as a laundry station with storage for detergents and space under the open frame for your washing machine. This combination also includes ENHET swivel shelf which gives you quick and easy access to smaller items like your spice jars.

Concrete effect door	293.954.97	<b>RM1,131.90</b>	493.955.28	<b>RM1,124.90</b>

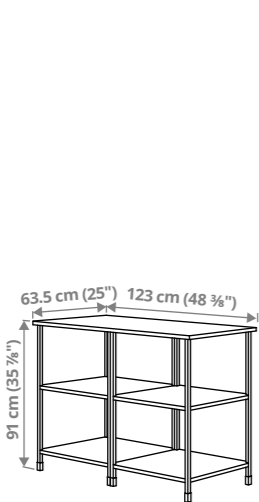

**ENHET A103 Wall storage combination** 121.5×63.5×222 cm.  
This combination offers just the place for your freestanding fridge. The cabinet has 3 handy drawers for the smallest utensils to the largest pots. Combine with microwave or portable induction hob for a functional mini kitchen solution. Sold separately. The space next to the cabinet can also be used for a dishwasher or even a washing machine if you are looking to create a laundry station with handy storage for detergents nearby. ENHET hooks put kitchen utensils close at hand. They slide into the grooves under the open ENHET frames. This combination also includes ENHET shelf insert which helps create more storage space between the shelves in the open ENHET frames. Perfect for organising things like espresso cups, jars, hairdryer or towels.

This combination with	White frame		Anthracite frame	
White basic door	694.221.25	<b>RM1,337.80</b>	994.221.24	<b>RM1,357.80</b>

ENHET add-on combinations

**Note!** Appliances and lighting products not included.

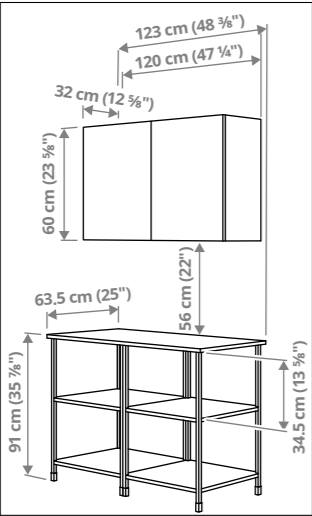

**ENHET A104 Kitchen island shelf unit** 123×63.5×91 cm. This kitchen island will be the centre of attention whether you are preparing food, unloading groceries or serving tapas. This combination offers generous open storage for larger things like pots, pans and bread baskets. You can easily add ENHET accessories to extend the use of your storage combination.

This combination with	White frame		Anthracite frame	
	494.221.31	<b>RM960</b>	694.221.30	<b>RM1160</b>

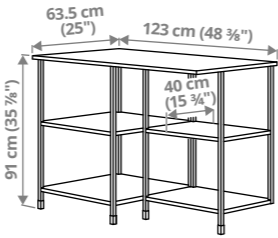

**ENHET A105 Storage combination for oven/hob** 143×63.5×91 cm. This combination offers 2 workspaces, plenty of open storage and a handy drawer under the oven for pans, foil and baking paper. Store pots, pans and bowls for preparing the food on one side and place everything for setting the table on the other. The wall-mounted extractor hood makes a big impact – both on the air quality and on the overall expression of your room. Sold separately. You can easily add ENHET accessories to extend the use of your storage combination.

This combination with	White frame		Anthracite frame	
	794.221.77	<b>RM1,206.90</b>	994.221.76	<b>RM1,356.90</b>

**ENHET A107 Wall storage combination** 123×63.5×207 cm. Here you have both open and closed storage along with a worktop that's big enough for both a portable hob and a coffee machine. The wall cabinet with doors makes good use of the space above the worktop. Perfect for placing glassware and tableware, keeping them free from dust. The open base frames offer plenty of shelf space for bowls and smaller appliances like toaster, mixer and rice cooker. Combine with a microwave oven or portable induction hob to create a solution for cooking. Sold separately. This combination also includes SKATTÅN containers which save drawer space and give easy access to things like cutlery and herbs.

This combination with	White frame		Anthracite frame	
White basic door	594.221.35	<b>RM1,317.90</b>	894.221.34	<b>RM1,527.90</b>
Grey frame door	194.221.37	<b>RM1,464.90</b>	094.221.33	<b>RM1,592.90</b>
High gloss white door	994.221.38	<b>RM1,451.90</b>	—	—
Oak effect door	794.221.39	<b>RM1,361.90</b>	—	—
Concrete effect door	394.221.36	<b>RM1,391.90</b>	294.221.32	<b>RM1,584.90</b>

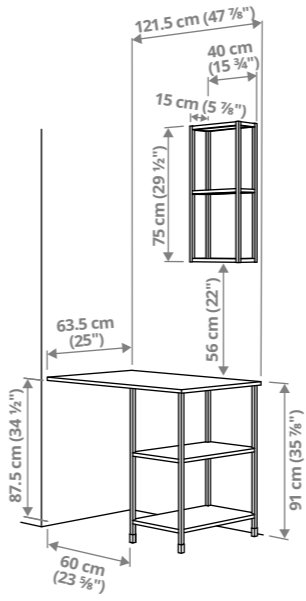

**ENHET A108 Kitchen island storage combination with seating** 123×63.5×91 cm. This kitchen island puts things within easy reach and will soon become your favourite spot for snacking, working and socialising. This kitchen island offers plenty of open storage for things like bowls and trays. There's a space where you can sit for a bite to eat or why not use it as a tapas bar when friends are over for dinner? You can easily add ENHET accessories to extend the use of your storage combination.

This combination with	White frame		Anthracite frame	
	394.221.41	<b>RM920</b>	594.221.40	<b>RM1,120</b>

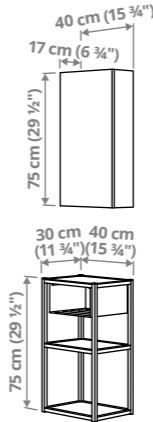

ENHET add-on combinations

**Note!** Appliances and lighting products not included.

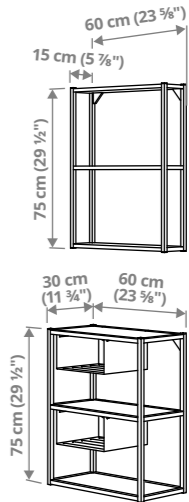

**ENHET A109 Storage combination for freestanding appliances** 121.5×63.5×222 cm. The open storage creates an airy feel and the accessories put things within easy reach – there's even a perfect spot for your fridge. The open wall frame makes good use of the space above the worktop. Perfect for hanging utensils or storing coffee cups, bottles or jars you often use. The open base frame keeps things like serving plates and tableware close at hand. Combine with a microwave oven or portable induction hob to create a solution for cooking. Sold separately. The space next to the cabinet can also be used for a dishwasher or even a washing machine if you are looking to create a laundry station with handy storage nearby for detergents. This combination also includes SKATTÅN containers which save drawer space and give easy access to things like cutlery and herbs. You can easily add more ENHET accessories to extend the use of your storage combination.

This combination with	White frame		Anthracite frame	
	994.221.43	<b>RM715</b>	194.221.42	<b>RM915</b>

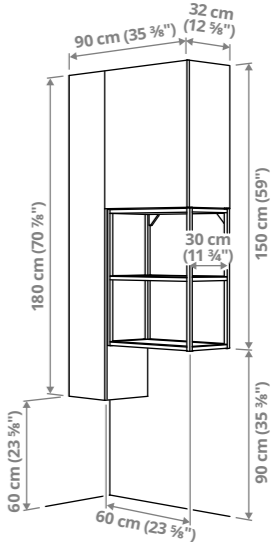

**ENHET A111 Wall storage combination** W40×D30 cm. Even in small spaces, you can benefit from closed storage that hides the clutter and open storage that displays things you love. The wall cabinet hides the clutter and keeps things free from dust. The open wall frame makes good use of the space under the cabinet. It gives a good overview an easy access to jars, bottles and things often used. This combination also includes ENHET hanging shelf insert which lets you organise your things and create space for more in the open ENHET frames. Perfect for espresso cups in the kitchen or hairdryer in the bathroom. You can easily add more ENHET accessories to extend the use of your storage combination.

This combination with	White frame		Anthracite frame	
White basic door	293.955.48	<b>RM427.90</b>	993.954.94	<b>RM437.90</b>
Grey frame door	893.955.07	<b>RM461.90</b>	594.010.72	<b>RM474.90</b>

**ENHET A110 Wall/floor storage combination** W60×D30 cm. This combination adds that extra storage space you've longed for, putting everything within arm's reach. The open frames put everything close at hand and easy to overview. The top surface of the base frame is a perfect place for things like a coffee machine, hairdryer, accessories or make up. ENHET swivel shelf gives you quick and easy access to smaller items like perfumes, keys, accessories, vitamins or spice jars. It fastens easily to any of the open frames in the ENHET series. This combination also includes ENHET hanging shelf insert which helps create more storage space between the shelves in the open ENHET frames. You can easily add more ENHET accessories to extend the use of your storage combination.

This combination with	White frame		Anthracite frame	
	493.955.47	<b>RM480</b>	393.955.62	<b>RM480</b>

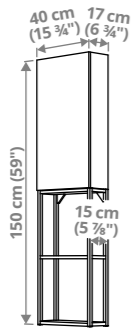

**ENHET A112 Storage combination for laundry** 90×30×180 cm. This combination offers a perfect mix of open and closed storage – and a tailored space for a washing machine and laundry bin. This laundry solution works just as well in the kitchen as in the bathroom or laundry room. The wall cabinets are perfect for storing towels and linen keeping them free from dust or to hide cluttering cleaning supplies. By utilising the wall space for storage, you can use the floor space underneath for a washing machine and laundry bin. The open wall frame puts detergents within arm's reach of the washing machine. You can easily add ENHET accessories to extend the use of your storage combination.

### ENHET A116 Wall storage combination 80×30×150 cm.

This combination hides the clutter and puts the things you love on display. The wall cabinet provides ample storage for food, towels and detergents. The open wall frame gives a good overview and easy access to jars, bottles and things often used. The space under the open frame is perfect for hanging towels, placing freestanding waste bin, bench or why not use it to park your trolley? This combination can also serve as a laundry station with storage for detergents and space under the open frame for your washing machine. This combination also includes ENHET swivel shelf which gives you quick and easy access to smaller items like your spice jars. You can easily add more ENHET accessories to extend the use of your storage combination.

# ENHET add-on combinations

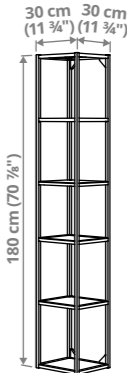

**Note!** Appliances and lighting products not included.

### ENHET A117 Wall storage combination 120×30×225 cm.

This combination with a mix of open and closed storage hides the clutter and creates an exciting eye-catcher in between. The wall cabinet provides ample storage for food, towels and detergents. The open wall frame makes good use of the space in between the cabinets. A perfect spot for putting your favourite jars, bottles and things often used. You can easily add ENHET accessories to extend the use of your storage combination.

### ENHET A118 Wall storage combination 30×30×180 cm.

This frame makes the most out of a narrow space, offering generous storage, easy access and a great overview of all your things. This open high frame offers ample storage without taking up too much floor space. It gives a good overview and easy access to baskets, towels and thing you often use. This combination also includes ENHET hanging shelf insert which helps create more storage space between the shelves in the open ENHET frames. Perfect for organising things like espresso cups, jars, hairdryer or towels.

**ENHET Kitchen island kit for open frame.** This assembly kit lets you build the kitchen island you've always dreamed of. It's easy and it adds a new dimension to your kitchen. Allows you to connect 2 or 3 open ENHET base frames to create a freestanding kitchen island. The assembly kit stabilises the frames and also includes floor attachments. It is also possible to build a kitchen island with 1 open base frame (40×60×75 cm or 60×60×75 cm) fixed to the wall and 1 worktop (max. 80×60 cm). The worktop is fixed to the wall using FIXA worktop support fitting galvanised.

ENHET accessories for open frame

**ENHET Hanging shelf insert**, 26×28×15 cm. This insert adds a new dimension to your open ENHET frame. It divides the storage space and makes room for more things in no time. Simply hang this shelf insert in the grooves on the sides of the open frame – between two shelves or under a wall frame. You don't need any tools and don't have to drill holes in the wall. Perfect for glass, tableware and bowls in the kitchen and for small jars and bottles.

Anthracite	504.817.75	<b>RM25</b>
------------	------------	-------------

**ENHET Swivel shelf**, 40×21 cm. Tired of looking for those things that tend to disappear in the kitchen? You can easily solve this by attaching this handy swivel shelf to any of the open frames in the ENHET series. The smart design allows you to fasten the shelf quickly and easily to any of the open frames in the ENHET series. You can find and reach the things you need by turning the shelf. Perfect to have as a spice rack by the hob to keep all the flavours close at hand when you are cooking.

Anthracite	204.817.72	<b>RM30</b>
Red-orange	404.817.71	<b>RM30</b>

**ENHET Hook**, 6×24 mm, 2-p. With these hooks you can easily create room for more in the same space. Magic? Not at all, you just hang them in the grooves under the open ENHET frames. And best of all – you don't have to drill. You can hang these hooks in the grooves under the open ENHET frames – or on ENHET rail for hooks that is sold separately. With these hooks, you turn unused space into practical storage space. Perfect for everything from utensils and towels in the kitchen. Complement with SKATTÄN containers to hold/ store things like cutlery or herbs.

White	804.817.74	<b>RM5</b>
Anthracite	004.817.73	<b>RM5</b>

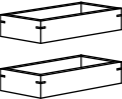

**ENHET Rail for hooks.** With this rail you can utilise every centimetre under your open ENHET frame for storage. In no time, you can hang both hooks and containers – without using tools or drill. Choose a colour that matches your other furnishings or adds an accent colour. With ENHET hooks and SKATTÄN container on the rail, you create plenty of space for everything from cutlery and utensils in the kitchen.

**SKATTÄN Container**, 12×34 cm. Instead of storing things in drawers, you can have everything from cutlery and herbs to accessories close at hand. Easy to hang on a hook on the sides of, or under, ENHET open frames. Turns space under open ENHET frames into practical storage space where you have everything close at hand. With small items in containers, it becomes easier to keep things in order on the worktop in the kitchen.

	104.817.77	<b>RM5</b>
--	------------	------------

**TAVELÄN Tray**, 2-p. With these decorative trays you make room for a lot, even in small spaces. If you stack them, they'll take up even less space. Fits perfectly in ENHET open wall frames (depth 15 or 30 cm), but you can of course use them wherever you want. Perhaps on the worktop, shelf, in a cabinet or drawer? Decorative, practical and easy to move if you need to use things elsewhere. The large tray accommodates everything from cutlery and spice mills. On the small tray you can store small spice bags. The trays are made of bamboo – a durable, and fast-growing natural material that can withstand moisture and water splashes.

	304.817.76	<b>RM40</b>

Taps for ENHET – all parts and prices

**LAGAN Single-lever kitchen mixer tap**, chrome-plated. This mixer tap saves water and energy, because it has a mechanism that reduces water flow while maintaining pressure. The chrome-plated brass surface is also hard, durable and easy to clean.

001.737.60	<b>RM130</b>
------------	--------------

**GLYPEN Mixer tap**, stainless steel effect. This mixer tap saves energy and water, and because the insert has hard, durable ceramic discs it can handle the high friction that occurs when you change the water temperature.

004.423.76	<b>RM199</b>
------------	--------------

**EDSVIK Dual-control kitchen mixer tap**, chrome-plated. With this high mixer tap you save energy and water, while making it easier to wash large things like pots. The chrome-plated brass surface is also hard, durable and easy to clean.

401.737.44	<b>RM230</b>
------------	--------------

**GAMLESJÖN Dual-control kitchen mixer tap**, brushed black metal. With this high mixer tap you save energy and water, while making it easier to wash large things like pots. The chrome-plated brass surface is also hard, durable and easy to clean.

003.416.74	<b>RM590</b>

# Guidance

Enjoy fast and easy guidance on the way to your new IKEA kitchen. Below you find brochures and tools that will assist you in every step of the journey. All materials are available at your local IKEA store or online at [IKEA.my](https://ikea.my)

## IKEA.my

On our webpage you'll find lots of inspiration and ideas to get the most out of your ENHET kitchen, whether it's a new one or an old that you want to freshen up. Plus, here you'll find all products that you can imagine to personalise and create the kitchen of your dreams.

## IKEA Home Planner

Create your ENHET kitchen from the ground up in a 3D environment where you will get a price for every unit and for the complete kitchen. You can print out drawings and product lists at home, or save them to the IKEA web site. At your local IKEA store, you can discuss your design with one of our kitchen experts for further advice and support. Learn more at [IKEA.my/kitchenplanner](https://ikea.my/kitchenplanner)

## ENHET Kitchen installation guide

Our ENHET kitchen installation guide gives you tips and step-by-step instructions on how to install your kitchen on your own. Just remember, you can do it all by yourself, but you don't have to.

## Kitchen brochure

A brochure full of inspirational pictures of kitchens in all styles and sizes. Here you'll find everything from full-sized kitchens to all those little extras that make everyday life in the kitchen easier and more fun.

## Your new IKEA kitchen – from start to finish

The booklet **Your new IKEA kitchen** is your guide to planning, measuring, ordering and installing your new IKEA kitchen. Pick it up at your local IKEA store or check it out at [IKEA.my](https://ikea.my).

## ENHET customiser

You can rely on the ENHET customiser guidance to make your purchase as fast and smooth as possible. Online you will find a display of the ready made complete kitchen solutions that our design experts have put together, based on years of experience from kitchen design. After having selected your favourite solution with a click, you can customise features, such as fronts, worktop, sink, tap, knobs/handles and appliances.
