Sones		3.9	5	6.0	7.3

ACCESSORIES

FILTER1- Charcoal Filter Kit

High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months

FILTER1LL2 - Long Lasting Charcoal Filter Kit

New washable charcoal filter can be recharged and washed up to 8 times. For use when recirculating the air back into the kitchen. Filters out odor and can last up to 4 years

FLANGE10- 10" Plate for Remote Blower

A 10" plate for connecting the remote blower to 10" round ducting. This is required for AXP250 & non-Faber remote blowers

MUDAMPER6 / MUDAMPER8 / MUDAMPER10 - Universal Make-Up Air Damper

Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

FLANGE3 - 3 1/4" x 10" Rectangular Flange Transition

For ceiling or downdraft hoods with an external blower that requires a 10" round duct, this transition turns the duct into a 3 1/4" x 10" rectangular duct. Transition back to 10" round once inside the basement, ceiling, attic, wall etc.
