FEATURES & BENEFITS

Compact design, maximum convenience

Looking for a dedicated drinks fridge, extra snack storage, or a convenient solution for your office? This sleek, space-saving design provides reliable cooling without taking up unnecessary space.

Keeps your fridge fresh

The H-DEO deodoriser helps reduce some food odours, keeping your fridge fresher for longer—with no maintenance required.

Designed for tall and small

Door shelves fit 1.25L soft drink bottles with ease, while wire bottle guards help keep everything upright and in place—so your favourite drinks stay chilled and ready to grab.

Versatile storage for every occasion

Easily organise your fridge with shelving and dedicated storage spaces for fresh food and beverages, giving you the flexibility to store everything from snacks to tall bottles with ease.

Cooling you can control

Whether you like crisp salads or ice-cold drinks, the manual temperature control lets you fine-tune the cooling to suit your needs.

A stylish fit for any space

A sleek design suits any setting, while the reversible door lets you choose the opening direction—ideal for tight spaces and flexible layouts.
