

DeWALT Power Tools (DEWDCH273N)

DCH273N XR Brushless 3-Mode Hammer 18V Bare Unit

The DEWALT DCH273 XR Brushless SDS Plus Hammer has a category leading high speed drilling performance at more than 90 holes 10 x 80mm per charge. The hammer comes with a rotation stop mode for light chiselling in plaster, tiles and render, and impact stop mode for rotary only drilling in wood and metal.

Fitted with an electronic clutch for consistently high torque and improved durability, and ideal for drilling anchors and fixing holes into concrete, brick and masonry from 4 to 24mm.

Its compact, lightweight and ergonomic design provide improved comfort and support during extended operating periods. It also has a bright white LED with delay feature for improved visibility.
