### Connection Method

#### Full Function Type-C Mode

If your laptop supports USB Type-C 3.1 with PD protocol that can output audio and video or Thunderbolt with USB-C interface, you can connect the monitor with your laptop via one USB-C to USB-C 3.1 cable.

#### Samsung DEX Mode/Huawei EMUI Mode

#### HDMI Mode (For No Type-C Device)

##### 1. Connect with Laptop Desktop Computer

- 1. For 1080P monitor, USB3.0 on the computer can supply the power
- 2. For 4K monitor, it is recommended to use an extra PD power

##### 2. Connect with PS4/PS5 or XBOX

- 1. The USB 3.0 on the PS4/PS5/XBOX can supply the power of 1080P monitor
- 2. For 4K monitor, it is recommended to use an extra PD Power

#### Nintendo Switch Mode

You can connect to your Switch via USB-C to USB-C 3.1 cable  
**NOTICE:** Extra power is required (Use Switch Adaptor or others 60W)

##### 1. Connect with Switch DOCK

##### 2. Connected with Switch by USB-C to USB-C cable

## Reverse Charging Function

When your monitor is connected to your device via the "Full Function Type-C Mode", you can charge your device by connecting an external power adapter via the "Type-C Power Port".

1. For 1080P monitor, DC 5V, 3A/9V, 2A or PD 5~20V power adapter is recommended.

## OSD Menu Introduction

1. Adjust brightness by pulling the key up
2. Adjust volume by pulling it down
3. Enter menu and go to submenu by pressing it
4. Exit menu and return to previous menu by pressing power button

## How To Use The Smart Case

The case can protect the display from dust and scratches

### Video Demonstration

Watch the video to learn how to use the cover as stand

①

Part A is magnetic. Backside of the monitor is also magnetic.

②

Attach Part A to the backside of the monitor magnetically.

③

Flip the cover and attach Part B to backside of Part A magnetically. Part C will stand the monitor stably.

## Warranty, Return & Refund Policies

1. The monitor is guaranteed for 2 years. When there's a quality issue, the after-sales solutions include replacement, partial refund and full refund. The warranty does not cover damage caused by human factors, accident, misuse of the product, unauthorized alteration to or change of parts or components of the product, act of God or problems of power supply.

2. When you find some quality issues, please prepare some images and videos to prove it. Then contact us for technical support or after-sales solution. We will reply within 24 hours.
