THE LENOVO THINKPAD® SL410 AND SL510 NOTEBOOKS

A COMPREHENSIVE COMPUTING SOLUTION IN A STYLISH DESIGN

Lenovo unveils the ThinkPad SL410 and ThinkPad SL510 notebooks, a comprehensive computing solution for your business with the ThinkPad notebook's unmatched reliability, features, security and services at a reasonable price. The notebooks are reliable, yet more powerful. Stylish, yet easily affordable. Mobile, yet greatly secure.

TOP REASONS TO OWN

- RELIABLE TECHNOLOGY, MOBILITY AND SAFETY
- COMPREHENSIVE TRENDY DESIGN
- FEATURE-RICH THINKPAD ENGINEERING
- IMPRESSIVE CONNECTIVITY AND MULTIMEDIA PERFORMANCE

RELIABLE TECHNOLOGY AND PROTECTION FOR YOUR BUSINESS

BUILT-IN TECHNOLOGY

- Lenovo ThinkPad SL410 and SL510 notebooks come with high-performance Intel® processors up to Intel® Core™2 Duo processor
- Available DDR3 RAM for high-bandwidth storage of working data
- Gives the ability to transfer data faster
- Supports up to 8GB memory
- The large 500GB hard disk drive stores anything you need from software to movies

BUILT-IN PROTECTION

- The Active Protection System™ (APS) with an airbag-like sensor secures the hard disk drive from potential crashes
- The spill-resistant keyboard helps protect your notebook and data from accidental spills
- Optional fingerprint reader stops unwanted intrusions
- One-touch recovery to restore your data at the touch of a button

LIGHT, STYLISH AND FEATURE-RICH DESIGN WITH A PROFESSIONAL MAKEOVER

- Lenovo ThinkPad SL510 notebook weighs 5.64 lb/2.56kg and Lenovo ThinkPad SL410 notebook is just 5.11 lb/2.32kg
- ThinkPad SL410 and SL510 are trendy, clean and have discretely placed ports, a matte-black top cover and scratch-resistant exteriors

EXPERIENCE IMPRESSIVE CONNECTIVITY AND MULTIMEDIA PERFORMANCE

- Integrated mobile broadband (WWAN), 802.11 Wi-Fi a/b/g/n (WLAN) WiMax* and Bluetooth® for excellent connectivity
- Standard or extended 4-cell, 6-cell and 9-cell battery options for longer battery life
- 16:9 HD LED widescreen displays with VibrantView screens for images with brighter and crisper colours
- Genuine Microsoft® Windows® 7 preload for ease-of-use and an extreme multimedia experience
- High-Definition Multimedia Interface (HDMI) to use your ThinkPad SL410 or ThinkPad SL510 notebook as a source to an external monitor with High-definition video and multi-channel audio
- VoIP optimisation, with a digital microphone and integrated 2MP camera, anchors you to the newest technology available
- Multi-touch TouchPad to work efficiently with modern gestures like pinch, rotate and swipe

The Lenovo ThinkPad SL410 and SL510 Notebooks

THOUGHTFULLY DESIGNED WITH MODERN INNOVATIONS

The Lenovo ThinkPad SL410 and SL510 notebooks are designed to fulfill the need of small and medium business users for a stylish, reliable and feature-rich notebook computer with the ThinkPad tradition of great engineering.

The notebooks are equipped with a wide range of innovative technology and features. Ergonomically designed best-in-class keyboard and a new UltraNav® multi-touch TouchPad for easier navigation. TrackPoint® Navigation gives an easy-selling experience during exhaustive typing tasks and with mouse-free computing.

The Lenovo ThinkPad SL410 and SL510 notebooks provide greater usability with High-definition audio, integrated 2MP camera and keyboard microphone mute button. It can be used for video-integrated instant messaging, conferencing and Internet telephony. Speakers moved below the display for optimal listening experience.

The High-Definition Multimedia Interface (HDMI) enables you to use your ThinkPad SL410 or ThinkPad SL510 notebook to source an external TV or monitor with High-definition video and multi-channel audio. Intel® High-definition audio delivers high-end performance equivalent to an add-on audio card.

Use the combo eSata/USB port, 4 USB ports and ExpressCard reader to connect your advanced-technology peripherals.

The Lenovo ThinkPad SL410 and SL510 notebooks come with globally recognised technical support excellence; ranked No.1 in Service and Support in TBR customer satisfaction report and PC Magazine's 21st Annual Reader Survey.

Lenovo's innovative engineering enhances your business success by providing capabilities built for greater reliability, productivity, security, manageability and mobility. It provides an added advantage to the mobile computing experience and mobile I.T. infrastructure.

EASY MOBILITY WITH WIDER WIRELESS CONNECTIVITY

- Conveniently carry your notebook everywhere – it is lightweight and sleek
- Stay in touch from anywhere – using the integrated mobile broadband (WWAN), 802.11 Wi-Fi a/b/g/n (WLAN) WiMax and Bluetooth® wireless connectivity
- Increase battery life – with standard or extended 4-cell, 6-cell and 9-cell battery options

GREENER SYSTEMS WITH ENERGY SAVINGS

- EPEAT™ Gold certification (EPEAT™ Gold rated in U.S., UK, France, Germany, China, Japan and others)** and Climate Savers computing initiative, prove our leadership in environmental commitment
- In addition, the use of post-customer recycled plastics and renewable energy accessories makes the notebook environment-friendly
- ThinkPad SL410 and SL510 notebooks being ENERGY STAR™ 5.0 certified products, are eco-friendly with mercury and arsenic-free low power displays and improved packaging
- LED backlit display and Power Manager™ helps cut power consumption for extended battery life

THE LENOVO THINKPAD SL410 AND SL510 SERVICES

THINKPLUS™ SUPPORT

Base warranty extensions prevent costly out-of-warranty repairs. Warranty upgrades allow a higher level of service at any time during your warranty period. It provides convenient and dependable support with peace of mind.

THINKPLUS WARRANTY

- Provides investment protection
- Warranty is aligned with depreciation schedule
- Offers convenient depot or on-site service
- Provides service coverage
- Choose level of service and responsiveness as per your requirement
- Next Business Day, 9x5x4, 24x7x4
- Offers bundled upgrade options for warranty protection for notebooks
- Includes post warranty upgrades for 1 and 2 years

THINKPLUS PROTECTION

THINKPAD PROTECTION
(Accidental Damage Protection)
Protects against unexpected damage and unbudgeted expenses. ThinkPad Protection covers damages not covered under warranty and provides unlimited repairs and/or system replacement in the event of accidental damages, drops and electrical surges.

LENOVO ONLINE BACKUP

(Simple. Online. Secure.)
Lenovo Online Backup is a secure, offsite data encryption and storage solution that protects your business files and allows you to restore them via an Internet connection.

THINKPLUS SECURE BUSINESS

(Bundle)
Protects your ThinkPad and secures your data with an all-in-one solution – ThinkPad Protection, Lenovo Online Backup and Next Business Day Warranty Upgrade – all for one low price.

HARD DISK DRIVE RETENTION

If a hard disk drive fails and it is still covered under warranty, then Lenovo will provide you a replacement drive. Rather than returning the defective part, the Hard Disk Drive Retention lets you keep your old drive and hold on to your data.

NEXT BUSINESS DAY ON-SITE SERVICE

Upgrade to Next Business Day on-site service gives you peace of mind that your PC will be serviced in the shortest period – keeping you and your business productive.

THEFT PROTECTION

Provides the ultimate protection in the event of theft through LoJack. If your notebook is stolen, it is tracked, monitored and recovered in partnership with the local law enforcement.

Availability: All offers subject to availability. Lenovo reserves the right to alter product offerings and specifications at any time, without notice. Lenovo is not responsible for photographic or typographic errors. Warranty Information: For a copy of applicable product warranties, write to: Warranty Information, P.O. Box 12195, RTP, NC 27709, Attn. Dept. ZPYA. Lenovo makes no representation or warranty regarding third-party products or services. SL Series may vary by country.

Footnotes: [1] Thinness: May vary at certain points on the system. [2] Travel Weight: Includes battery and optional travel bezel instead of standard optical drive in Ultrabay, if applicable; weight may vary due to vendor components, manufacturing process and options. [3] Keyboard: As defined by ISO/IEC 15412. [4] WWAN Service Providers: Requires separate agreement with select third-party service provider, and is subject to credit approval and applicable service agreement/terms, rate plan and coverage maps of the provider. Service is available in select metropolitan markets, not available in all areas. Service provider, not Lenovo, is solely responsible for service. Lenovo customers may be contacted after purchase to activate service. Special credit and tenure restrictions and additional charges may apply to international roaming. A network connection, third-party software, additional hardware, and/or subscription to a third-party service may be required for certain solutions/applications. Additional restrictions apply. Offer subject to change. [5] Battery Life: These model numbers achieved Battery Run-down Time of at least the time shown during testing. A description of the testing is available at www.lenovo.com/pc/www/thinkpad/batterylife. Battery life (and recharge times) will vary based on many factors including screen brightness, applications, features, power management, battery conditioning and other customer preferences. [6] Wireless Network Access: Required and not included; access may require subscription and fees may apply. May require compatible wireless-enabled options, sold separately. [7] Wireless range/speed: Actual device range and data transfer speed depend upon many factors and are often less than the maximum possible.
