# TCL TAB 8 LE

On Device Demo Installation
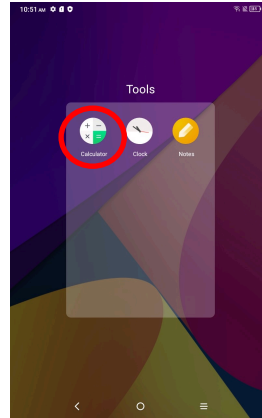

Follow the steps below to install and uninstall **Retail Demo Mode** on the **TCL TAB 8 LE** demo devices.
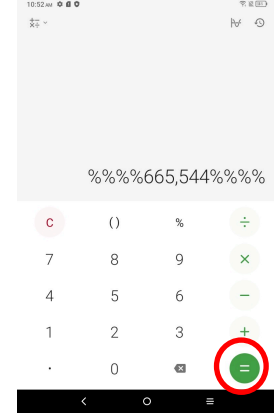

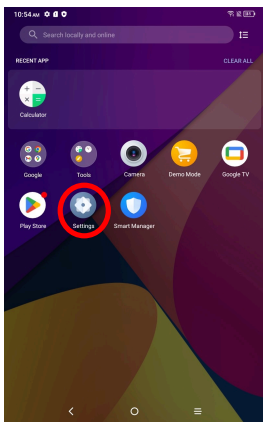

From home screen swipe up to access app drawer
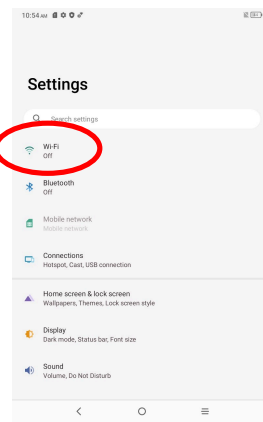

Select 'Tools' Menu

Select 'Calculator'

Input this code:
%%%%665544%%%%=
[After which, you'll be notified that the Demo Mode app is now visible. Note: This may take several minutes]
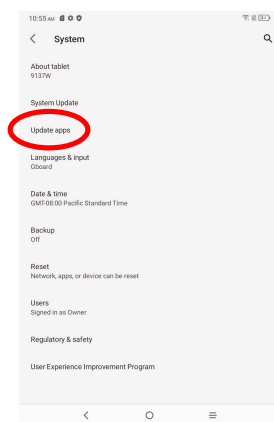

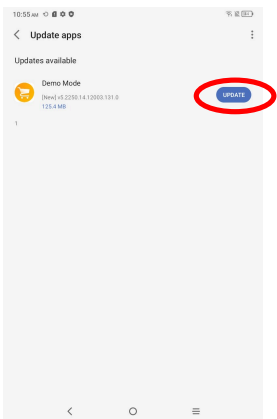

Return to app drawer and select 'Settings'

Connect to a Wi-Fi network
[You may also use cellular data if you have an active SIM inserted in the device. If so, you may skip this step]
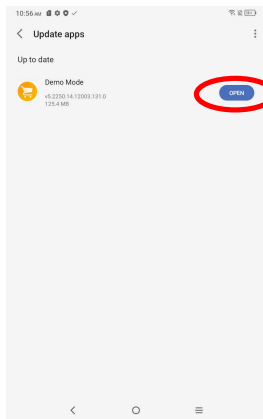

Return to 'Settings' and scroll down to select 'System' tab
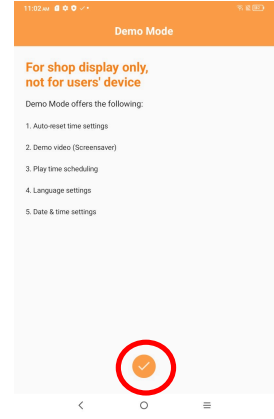

Tap 'Update apps'

Tap to Update 'Demo Mode' app

Click 'Open' once downloaded

Click 'Activate'

Tap the 'Checkmark"

Enter in password:
852618

Click 'Okay'

Demo Mode will automatically activate after 10 seconds

To activate Demo Mode in Spanish:
- Open Demo Mode APP
- Tap the 'Checkmark'
- Enter in password: 852618
- Tap on 'Language'
- Tap on 'Add Language'
- Select 'Espanol' to add
- Tap 'Espanol' to set language
- Tap 'OK'

To Uninstall Demo Mode:
- Open Demo Mode APP
- Tap the 'Checkmark'
- Enter in password: 852618
- Tap on 'Factory reset'
- Click 'OK'
