■ Game Type – Battle Royale

**Defeat "all enemies!"
Except yourself!**

■ Attacking GUIDE – Normal Attack

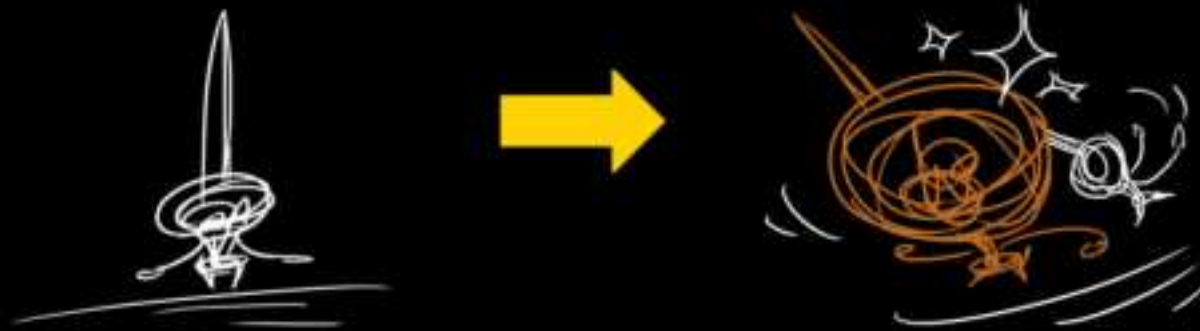

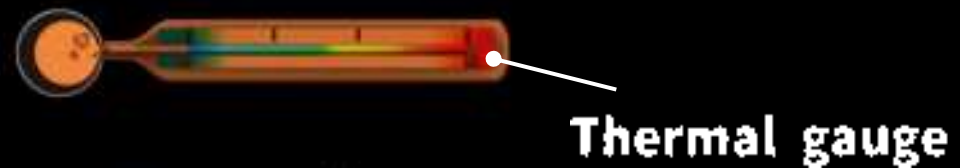

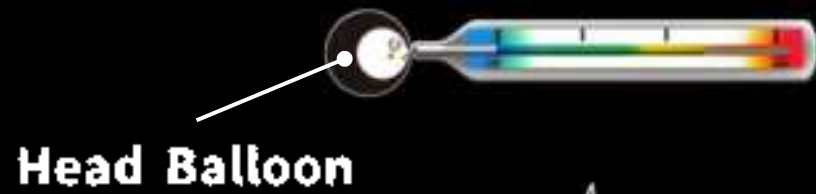

Swing the Right Analog Stick to attack!
The faster you swing your weapon,
the more damage it does!

■ Attacking GUIDE – Charge Attacks

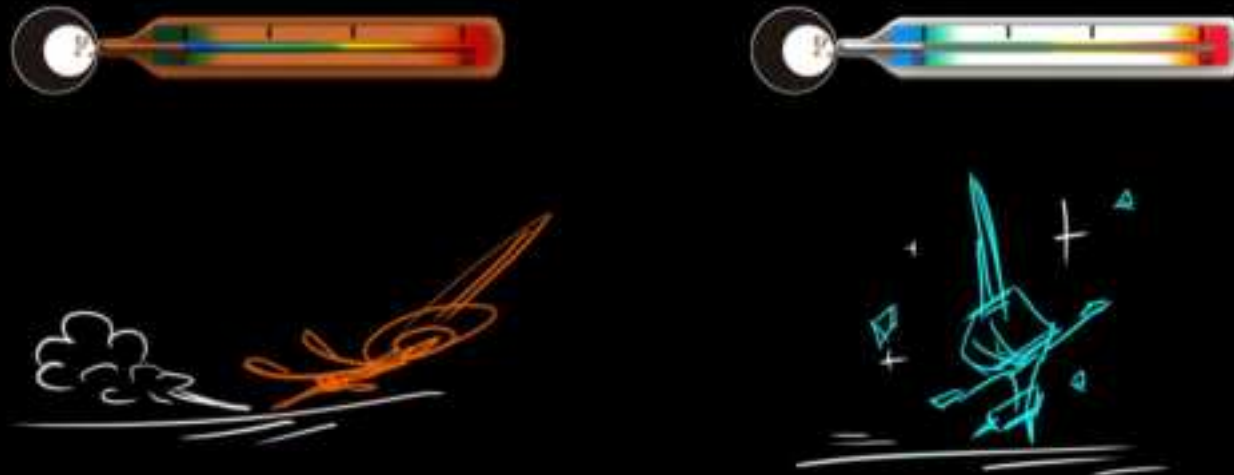

**Hold the Right Analog Stick back to
charge an attack!
Let go to perform a powerful blow!**

■ Thermal gauge

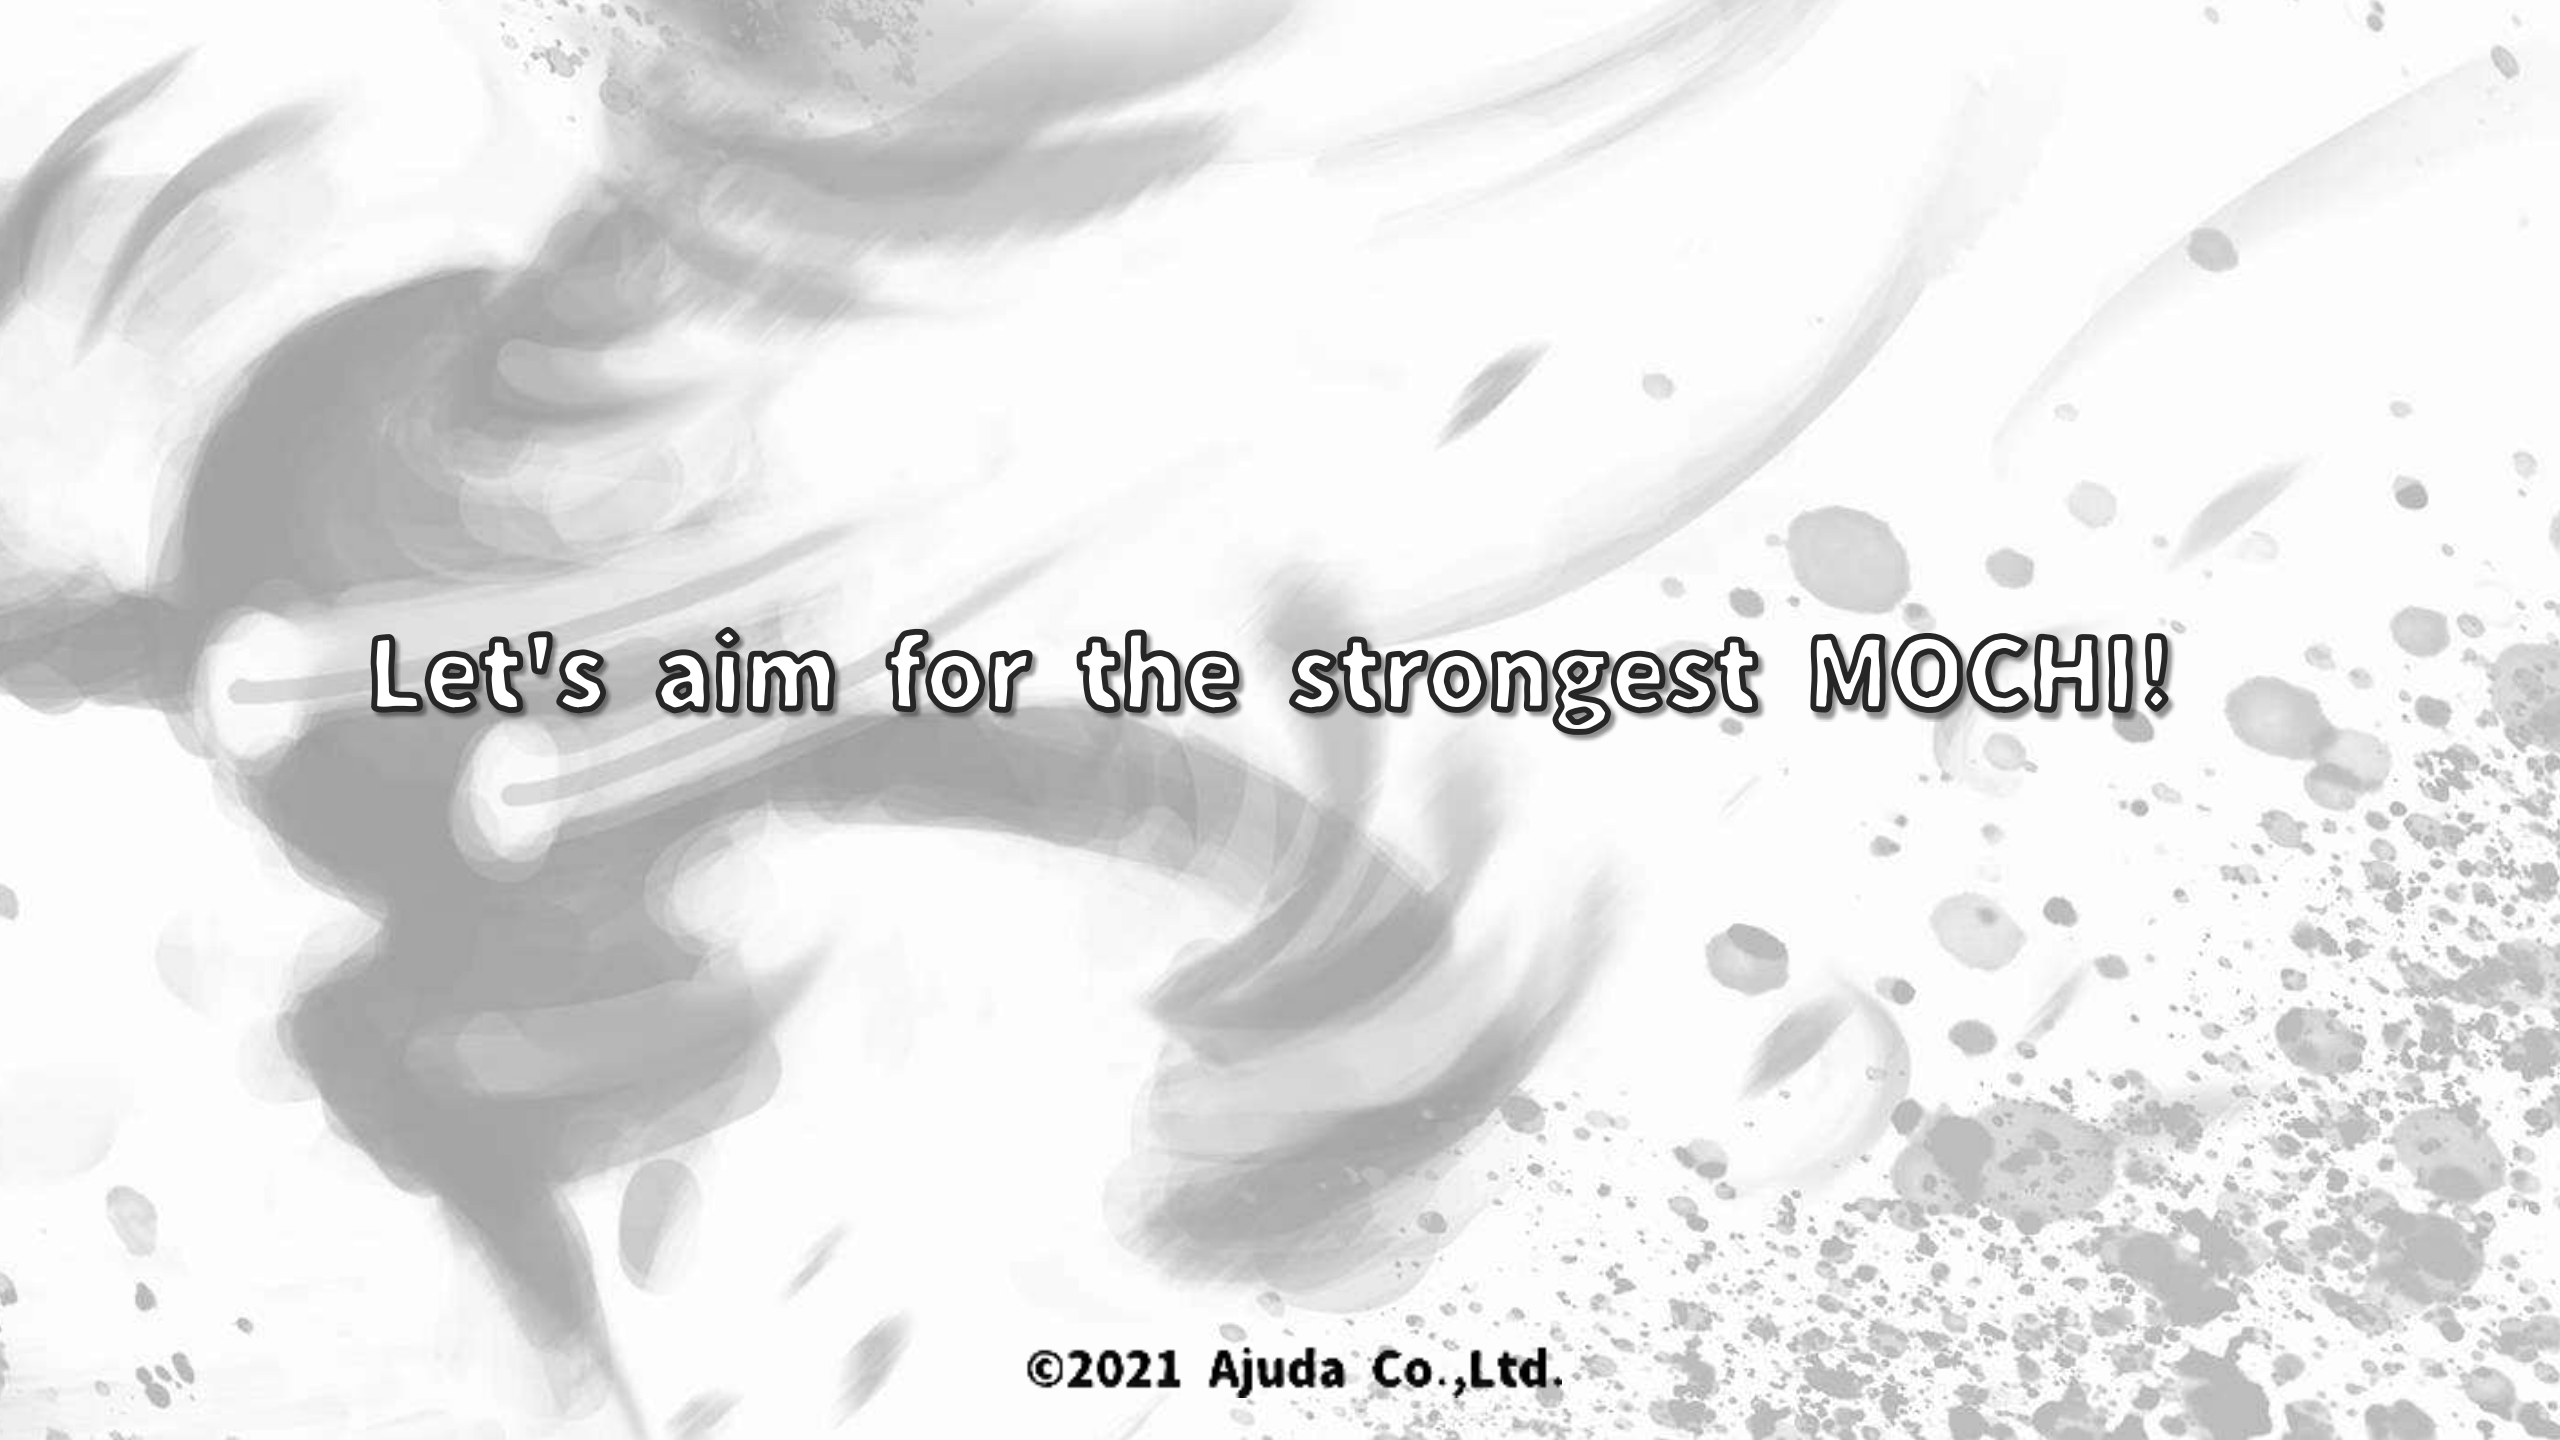

**If you take damage when your
thermal gauge is high,
your head will eventually expand
and burst!**

■ Overheat and cool time

**It is fast during overheating, but
slows down after a while.
Also, it freezes if it is not moving.**

Let's aim for the strongest MOCHI!
