

INTRODUCTION

Welcome to your new The Gaming Earbuds!

At Raycon, we develop and design innovative electronics so you can move and conquer your daily fast-paced life.

Before using your product, we strongly encourage you to fully read through this user manual. You can also visit our support center at www.rayconglobal.com/support.

This web page has more specific guidelines and helpful videos for you to navigate your product.

For best performance, charge fully before first use.

We are Raycon. We create carefully crafted wireless audio products for go-getters who need tech that keeps up with them.

We teamed up with expert engineers, leading taste-makers, and platinum artists to design products you'll love to use.

We believe in the early risers and the one-more-milers of the world. Premium audio, inspired by you.

Pairing ID: The Gaming Earbuds

INTERNATIONAL MANUAL

For international versions of the manual, please visit rayconglobal.com/support.

UNIT AT A GLANCE

-  **HYPERSYNC LOW LATENCY MODE**

HyperSync Low Latency Mode minimizes delay so you can respond to streamers and teammates without delay.
-  **OPTIMIZED MIC FOR GAMING**

Let your teammates and audience hear you while your opponents cower at the sound of your voice with a mic optimized for gaming.
-  **33 HOURS OF BATTERY LIFE**

Stay in the game longer with 33 hours of battery life.
-  **IPX5 WATER RESISTANCE**

With IPX5 water resistance, the Gaming Earbuds hold up when tense matches have you breaking a sweat.
-  **TOUCH CONTROLS**

Touch controls enable you to make quick adjustments to get back to the match quickly.
-  **THREE SOUND PROFILES**

Different games have different sounds, that's why the Gaming Earbuds have three unique sound profiles.

QUICK START GUIDE

1. Take your earbuds out of the charging capsule. Both earbuds will power on and connect to each other automatically.

2. From the source device, go to Bluetooth settings and ensure Bluetooth is on. Search for "The Gaming Earbuds" and select it to pair.

3. Enjoy your Raycon Gaming Earbuds!

4

SOUND PROFILES

Your sound, your way! As our sound profiles were crafted by artists and producers at the top of the industry, you're in good hands.

PURE SOUND - Our most refined sound, perfect clarity to hear every single note.

BALANCED SOUND - A leveled sound that is great for all around performance and warmth.

BASS SOUND - Our bass boosted sound, great for songs with strong beats and a go-to for bass lovers.

 Hold **I** for **3** secs to toggle between
Sound Profiles.

Note: Sound Profiles is not supported in HyperSync Mode.

HYPERSYNC MODE

HyperSync Mode - An amplified experience with immersive sound and ultra low latency.

 Hold **R** for **3** secs to toggle
HyperSync On/Off.

CHARGING YOUR DEVICE

Charging Earbuds: The earbuds will charge automatically when placed in the capsule.

Charging Capsule: Connect your charging capsule to a 5V - 1A power source via the supplied USB-C cable.

Fully Charged: Once fully charged, the battery indicator lights will turn off.

Call/Play time: about 7 hours

Total battery life: 33 hours

Wireless Charging: Simply place the capsule on any Qi-compatible charging mat.

Low-Battery Warning - When earbud batteries are low, a "low battery" voice prompt will play, and there will be 30 mins of playtime left before the earbuds automatically power off.

Battery Status Indicator - When battery is low, LED lights on earbuds will stay off and LED lights on capsule will glow red when capsule is opened.

A fully charged capsule can completely recharge the earbuds up to 3 times before needing to recharge the capsule.

THE PERFECT FIT

Insert the earbuds into your ear.

Rotate the earbuds slightly forward.

The perfect fit should look like this.

GEL TIPS

XS S M L

Customize your fit. Select the right size gel tip for you!

SAFETY GUIDELINES

Please follow the safety guidelines below at all times when operating or caring for your device.

- Be wary of any edges, uneven surfaces, and metal parts, including on accessories and product packaging, to prevent any possible injury or damage.
- Listen to music at a proper volume to avoid damaging your hearing and the earbuds.
- Do not store in high temperatures, such as in a hot vehicle or in direct sunlight.
- Do not expose the earbuds or any of its supplied parts to rain or other liquids for extended periods of time.
- Do not drop or cause undue impact to the earbuds.
- Do not modify, repair, or dismantle the product on your own.
- Do not use any diluent or volatile liquid to clean the product.
- Do not use the product in a hazardous location.

FCC WARNING

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help. The device has been evaluated to meet general RF exposure statement.

The device can be used in portable exposure condition without restriction

IC CAUTION:
Radio Standards Specification RSS-Gen, issue 5

- English:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

This device may not cause interference.
This device must accept any interference, including interference that may cause undesired operation of the device.

RF exposure statement:
The equipment complies with IC Radiation exposure limit set forth for uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

- French:

Cet appareil contient des émetteurs / récepteurs exemptés de licence conformes aux RSS (RSS) d'Innovation, Sciences et Développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes:

Cet appareil ne doit pas causer d'interférences.
Cet appareil doit accepter toutes les interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable de l'appareil.

Déclaration d'exposition RF:
L'équipement est conforme à la limite d'exposition aux radiations de la IC établie pour un environnement non contrôlé. Cet équipement doit être installé et utilisé avec une distance minimale de 20 cm entre le radiateur et votre corps.

FCC: 2A ZOV-RBE765
