

The image shows the interior of a modern MCI Super 60 coach. A woman with long dark hair, wearing a red long-sleeved top and blue jeans, stands in the aisle, smiling at the camera. She has sunglasses perched on her head and a black leather jacket draped over her arm. The coach features overhead storage bins, a large front window, and a side mirror. Other passengers are visible in the foreground, seated in blue seats.

MCI

MCI Super 60 limited warranty.

MCI J-Series coaches are backed by the longest,
most extensive warranty in the business.

MCI

Reliability driven coaches with a warranty to match.

The MCI J4500 and J3500 coaches, North America's best-selling touring coach series, are backed by a 30-month, unlimited mile warranty. In addition to the standard coach warranty, MCI offers up to 60 months extended warranty on key items.

Building the best.

MCI believes the best warranty is the one you never need to use. As the North American motor coach leader, MCI rigorously designs, constructs and tests its motor coaches for long life under the toughest road environments.

- / A strong, stainless steel frame.
- / Sealed electrical components.
- / Quality-at-the-source factory build.
- / Energy absorbing bumpers.

Online warranty system.

MCI offers an internet-based warranty lifecycle management system. This user-friendly tool will enable you to streamline your warranty, claims, and warranty parts processing. It will give you total visibility into the claims process from start to finish, increasing ease of management and creating efficiencies across the entire warranty life cycle.

54 Months/500,000 miles

(Whichever comes first)
