

BASIC CROCHET STITCH DIAGRAM

1. Stitch (Abbreviated 'st')

Slip knot
Every piece of crocheted fabric starts with a slip knot. Loop the yarn around two fingers (leaving a tail) and pull the tail halfway through the loop, leaving the crocheted loop into the second loop and gently pull the loop tail onto the crocheted loop.

2. Chain Stitch (Abbreviated 'ch')

The chain stitch is the base for all crochet which is also called a foundation chain.

3. Slip Stitch (Abbreviated 'sl st')

The slip stitch is the fastest on project of all crocheted stitches. You can use this stitch to slip-stitch the ends of a foundation chain to form a ring.

4. Single Crochet (Abbreviated 'sc')

The single crochet is the most fundamental of all stitches. Gather the yarn with your crocheted hook and draw up the loop through the stitch. Wrap the yarn around the hook and pull it through two loops, leaving one loop on the hook.

5. Increase (Abbreviated 'inc')

You can increase stitches by adding a stitch at the beginning of the row. Make 2 sc in the same stitch.

6. Decrease (Abbreviated 'dec')

You can decrease stitches, which is really just subtracting a stitch, is a row. Make a half sc, at which point there are 2 loops in the hook. Then crochets a half sc in the next row, at which point there are 3 loops in the hook, and finally add the yarn through all 3 loops to finish a dec.

7. Fasten off (Abbreviated 'f/o')

Fasten off by pulling the yarn through the end stitch and pulling it tight. Cut off.

8. Sewing

Generally used for the completion of 2 parts. The plastic needle while yarns are threaded it turn through the loops where the two parts need to be connected.

If details need to be attached onto the finished product (such as mouth, eyes, etc.) you can use a plastic needle to pierce yarns and add down the finished product along the finished yarn.

9. Round (Abbreviated 'rd')

This continues the chain stitches into a circle. Each round starts with ch and ends with sl st.

10. Magic ring
When crocheting round (or not), make 1 magic ring first. Then crochets from the center. Crochet through the circle loop in the hand to pull back the first yarn, make 1 sc to form the first knot. After some sc, pull the bottom yarn tight until all loops form a ring. Make 1 ch in the first row to use the magic ring.

11. Weaving in/invisible close

Cut the yarn, leaving a long yarn end. Sew the end through the first loop on the hook and thread it onto a yarn needle. Weave your needle through the front loops only on the last round and pull tight. Sewing remaining yarn into your piece.

Please noted that all yarn needs to be hidden behind the stitch.
