BENEFITS

Adjusting the right cycle for you

Sensing the level of grime on your dishes, our smart sensor adjusts the temperature and wash cycle to ensure the best results possible.

Big Items? No Problems. Slide and stack.

Large items can now fit with ease in the bottom basket with our height adjustable upper basket. Simply remove the upper basket and place back onto the rails to fit awkward items in.

Fast wash, when you need it

Whether youre hosting a party or forgot to put the dishwasher on, our fast 30 and fast 58 minute programs ensure you can be ready in no time.

Fast drying time

Say goodbye to damp dishes with our FastDry system. Our system dehumidifies hot steam before expelling it from the dishwasher, ensuring minimal humidity remains. So whether its a big gathering and you need a plate fast or you just want to pack them away, FastDry is convenience made simple.
