MEGA 100

SOI AR PANFI

100W

Maximum Power Output

33 CELLS

Monocrystalline Module

0~+5W

Positive Power Tolerance

22.6%

Maximum Efficiency

FEATURES

9 busbar solar cell configuration

Lightweight anodized aluminum frame

High transmission, AR (anti-reflective) coated tempered glass

Industry standard quick connect cables (Solar Connectors) work in series or in parallel

Excellent low light performance on cloudy days, mornings and evenings

Highly reliable due to stringent quality control (Over 30 in-house tests (UV, TC, HF, and many more), PID resistant, 100% EL double inspection)

Certified to withstand challenging environmental conditions (2400 Pa wind load, 5400 Pa snow load, 35 mm hail stones at 97 km/h)

INSTALLATION

Easy installation and handling for various applications (high-end off-grid and mobile applications).

Pre-drilled holes compatible with ground mounts, Z brackets, pole mounts and tilt mounts.

Compatible with on-grid and off-grid inverters.

WARRANTY

25 years warranty limited output power

* (Please refer to product warranty for details)
