

Product Features:

- Excellent choice for high capacity applications such as factories, gymnasiums, theaters, and convention halls
- Discharge pattern is easily adjusted from vertical to horizontal with adjustment ring
- In the horizontal setting, the unit provides tight ceiling patterns excellent for VAV applications
- Diffuser can effectively be applied for either spot heating or cooling
- Outer cone design guards against ceiling smudging in horizontal position

Finishes

01 - White¹

03 - Black

02 - Satin Silver

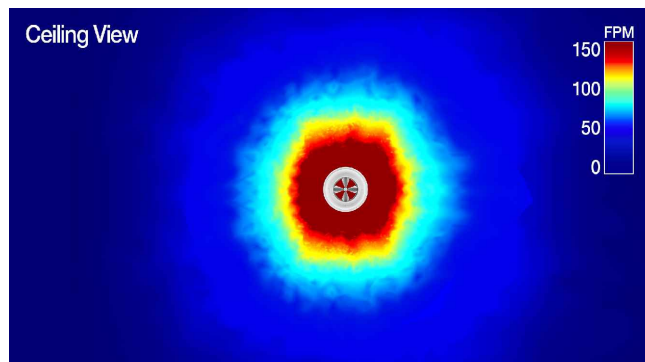

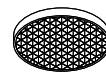

24 - Mill

28 - Custom Color

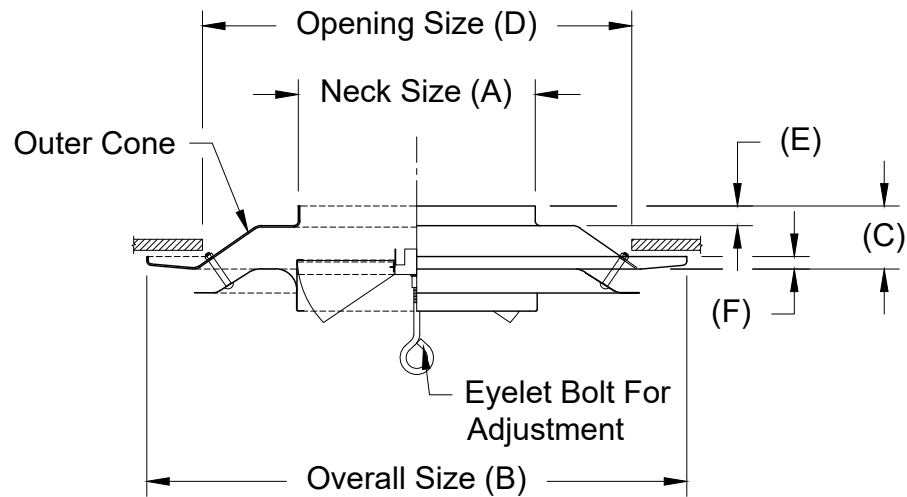

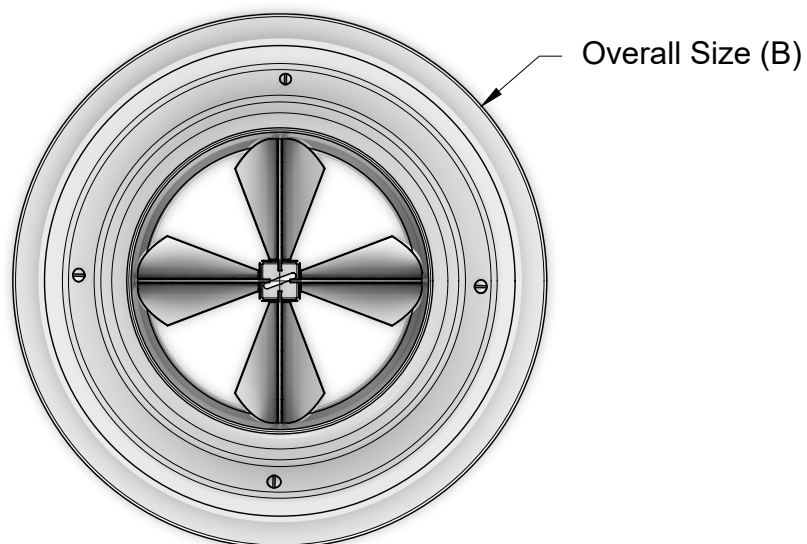

¹ White Finish is suitable for a primer coat if field painting is required.
