Aquagrow	\$119	\$100	\$13

Drinking Water Systems (DWS): Commissions on up to 3 levels of your downline network, depending on your current Achievement Level. DWS models include the Aqualuxe, Aquapremier, Aquaperform, Aquaversa, and Aquamini.

- DWS replacement filters: Commissions on up to 10 levels of your downline network, depending on your current Achievement Level.

Multipure Aquasource: Commissions on up to 3 levels of your downline network.

- Aquasource replacement filters: Commissions on up to 10 levels of your downline network.

Bath & Garden: A flat rate commission is paid to the selling Builder on personal sales only.

*Commissions on DWS or Aquasource sales are based on Achievement Level. Except where specified for the Aquasource, Bath & Garden commissions are paid only to the selling Builder, and no network commissions are paid from downline sales of Bath and Garden products. Personal replacement filter sales commissions and network replacement filter sales commissions are based on Achievement Level.

* commission number includes maximum Activity Bonuses

1. First Purchase Requirement: Commission Eligibility for New Builders

To become eligible to earn commissions on personal sales, a new Builder must meet the First Purchase Requirement. Here's how it works:

Commission Allocation

- The commission on the first Drinking Water System (DWS) sale or purchase made by a new Builder is allocated to the Sponsor.
- After this First Purchase is completed, the Builder becomes qualified to receive commissions on all future personal sales.

Ways to Meet the First Purchase Requirement

A new Builder can fulfill this requirement in one of two ways:

- Personal Purchase: The Builder purchases a DWS for personal use from their Sponsor.
- Customer Sale: The Builder sells a DWS to a customer.

Special Waiver Option

If the new Builder previously purchased a DWS from a Builder or directly from Multipure before registering as a Builder:

The Sponsor may waive the First Purchase Requirement at their discretion.

2. Commission Payment Period

Multipure rewards your hard work and commitment with weekly and monthly commission payments:

- Weekly Payments: Builders who have reached Master Builder level or higher and have been active for more than 3 months receive commissions every Friday.
- Monthly Payments: All other active Builders receive commission once per month.

3. Methods of Commission Payments

To receive commissions all Builders must be registered for one of three payment options. All of this will be organized through your Multipure ADP WorkMarket account. Commissions will accumulate in your Builder account until a minimum of \$25 is earned.

- Direct Deposit (not available in Canada) – we will deposit your commissions into your bank account
- PayPal – Commissions will be deposited into your PayPal account
- Wisely Pay Card (Reloadable Visa Card)

4. Additional Charges and Fees

- Commission checks that are lost, stolen, or no longer negotiable can be reissued for a fee. NOTE: "No Longer Negotiable" is defined as any check deemed expired or too old (i.e., "stale") for acceptance by a bank or other financial institution for cash exchange, deposit, or other purpose.
- The fee to reissue a lost or stolen check is \$30.
- Stop payments on lost commission checks incur a \$30 fee.
- The fee to reissue a check that is less than two years old and no longer negotiable is \$10. The original check must be returned to Multipure.
- The fee to reissue a check that is more than two years old and no longer negotiable is \$30. The original check must be returned to Multipure.

5. Policy on Unpaid Commissions:

Unpaid commissions occur when earned commissions remain below the \$25 minimum value for Multipure to issue a commission payment.

6. Taxpayer Identification Number

- Multipure is required to file an information return form (Form 1099) with the Internal Revenue Service, reporting Builders' annual earnings of \$600 or more. Because of this, every Builder must furnish their Taxpayer Identification Number (TIN) to Multipure.
- The TIN must be furnished regardless of tax filing requirement status or coverage by Social Security.
- For individuals, the TIN is the Social Security Number (SSN).
- For other entities, the TIN is the Employer Identification Number (EIN).

7. Builder Support Fee

Mailing of paper checks is very costly (postage, paper, envelopes and labor). To provide for these services, there is a nominal fee of 2.5% of Builder earnings (maximum of \$5 per check printed), that will be deducted from printed checks.

There is no Builder Support fee on commissions that are Direct Deposited or utilize PayPal or Wisely cards through our provider ADP WorkMarket.

8. Address Corrections

Builders can conveniently change their address and other information by logging into the Multipure ADP WorkMarket account. Builders changing their address should also be sure to modify any subscriptions that they have. It is the responsibility of the individual to promptly change their address to avoid mis shipments www.multipure.com/login.php

Customer Update Information: Customers can update their address with us through their subscription www.multipure.com/login.php

Customers can also email us with address, email, phone number changes.

buildersupport@multipure.com

9. Unclaimed Property

- In the event purchased products are returned by the delivery service to Multipure, Multipure will attempt to contact the buyer by telephone, email, and/or letter to arrange for redelivery, alternate delivery, or order cancellation.
- If the customer cannot be contacted within a reasonable amount of time after delivery return, the order will be cancelled and refunded, less the cost for shipping.
- If the products are returned by the delivery service due to delivery refusal by the buyer, then the order will be immediately cancelled and refunded, less the cost for shipping.
