

Glacier

POU Water Cooler

The Glacier Point-of-Use water dispenser is available in Hot and Cold or Cook and Cold models. The rounded cabinet and fluted front give the Glacier a classic Greek column design suitable for any environment. While being aesthetically pleasing, the polyethylene cabinet's smooth finish is easily cleaned and refurbished. This commercial grade cooler will deliver years of trouble free optimum performance.

Features

- Double mechanical float system for reliable operation
- Secondary float acts as a safety precaution by shutting off water supply
- Manual reset switch located at top of system for easy access
 - * Green indicates normal function
 - * Red indicates the secondary float has been activated
- Available in White and Black (select markets)
- 5 micron air filter
- 1/4 " inlet tube for connection to water supply
- Touch Guard® handle is standard on the Hot faucet
- FDA approved self-closing Tomlinson faucets
- Noise dampening technology for quiet operation
- Durable polyethylene cabinet comes with UV protection to prevent fading
