Wall Oven with AI Pro Cooking™ Camera**

Product Overview

Product Title Bespoke 30" Microwave Combination Wall Oven with AI Pro Cooking™ Camera

Product Description (Paragraph)

The Samsung Bespoke 30" Microwave Combination Wall Oven with AI Pro Cooking™ Camera features stunning glass and steel finishes that complement other Bespoke appliances in your kitchen. Rich with features like an AI Pro Cooking™ Camera, Air Sous Vide, Steam Cook Plus and Air Fry, you'll enjoy cooking just like a professional in your own kitchen. Bespoke is Samsung’s premium line of home appliances, leading the way in design, technology, and connectivity. Create a kitchen that expresses your personal style.

Short Product Description (bullets)

- The Samsung Bespoke 30" Microwave Combination Wall Oven with AI Pro Cooking™ Camera features stunning glass and steel finishes that complement other Bespoke appliances in your kitchen.
- The AI Pro Cooking™ Camera live streams video to your smartphone so you can easily check on meals as they cook.*
- Air Sous Vide preserves your food’s natural flavor & avoids overcooking. Precise, controlled heat and airflow within the oven gives you sous vide results without the water bath.**
- Steam Cook Plus helps you create healthier dishes by fully cooking with only steam, which retains its nutrients.***
- Bespoke is Samsung's premium line of home appliances, leading the way in design, technology, and connectivity. Create a kitchen that expresses your personal style.

*Available on Android and iOS devices. A Wi-Fi connection and a Samsung account are required. Camera is located at the top of the oven; view of lower racks may be obstructed. A single ingredient dish should be placed in the center of the oven, unobstructed. Keep camera lens clean. Recognition accuracy depends on usage conditions; for more detailed information, please refer to the user guide.

**Requires a sous vide cooking bag, which is not included with the oven.

***Requires Samsung’s Steam Cook Tray, sold separately. Only available on Samsung 7000 series models.
