

BOULT AUDIO

PROBASS POWERBUDS USER MANUAL

For better sound quality experience, suggest use
IOS 8.0/ Android 4.3 or above operating system.

First time start up connection

Once the earbuds take out from the charging case, they will automatically turn on and pair with each other. Turn bluetooth on your phone/listening device. Search for and connect with earbuds shown as "Boult Audio PowerBuds".

Indicator: Blue light will be slowly flashing on the both side. Audio voice will announce "Power on" "Pairing" "Your Air Bass earbuds are now connected successfully".

Regular use

Once the first time or initial connection is made with your device, the earbuds will connect automatically when the earbuds take out from case.

Wearing style

Our innovative design feature three sizing options (S,M,L) for great fit and wearing comfort. Please use whatever size option is most comfortable for you and read the steps below.

Make sure the (R)(L) symbol is facing down (indicator light is facing down) then place earbuds into ear. Rotate the earbuds until it fits snugly and is comfortable.

Clear to pairing

Clear the pairing record of earbuds and mobile phones:

Take out the earbuds from the charging case, and touch the left and right earbud 5 times, it will clear the record of the Bluetooth device. then search for the Bluetooth name “Boult Audio PowerBuds” to pair.

- Touch 5 times

- Search the Bluetooth and connect

Resume pairing of left and right earphones:

Put earbuds in the charging case and charging, then take earbuds out of the charging case when they charging a few minutes. They will enter into pairing mode automatically.

- Put in the charging case and charging

- Take out of charging case

- Pairing automatically

Troubleshooting

Problem type	Reason	Solution
Doesn't charging /Stop working	Charging case out of battery or the earbuds fail to connect the charging with case	Charge the case first Gently swing the earbuds to make it contact with the charging pins in the charging case.
Work individually	Left one and right one doesn't pair	Please refer the reset option and reset them
Sound imbalance	Dust block	Please clean the earbuds first
