ASSEMBLY TIME:

DRUMMERS:	🍺 🍺 🍺 🍺 🍺
EVERYONE ELSE:	🍺 🍺 🍺 🍺 🍺

① Unfold the Pre-assembled Base (A1).

② Assemble the Seat (A2) and the Telescoping Seat Post (A3) using the Allen Screw (A4) and Wrench (A5). Make sure it is tight and secure.

③ Insert the assembled Seat (A2, A3 and A4) on top of the Base (A1). Secure it with the Pull-out Knob that came with the Base (A1), adjust then tighten to desired height.

④ Assemble the Backrest (A6) and the J-shape Backrest Post (A7), use the Small Flower Knob (A8) to secure the position of the backrest. Insert the assembly (A6, A7 and A8) on the back of the Seat (A2), use the Butterfly Knob (A9) with washer to secure it.

⑤ Adjust the height of the Footrest by loosening the 2 Butterfly Knobs at the back of the Footrest, tighten back to desired height.
