About Charging

※ Make sure the magnetic charging terminals are completely dry before charging

Charging Method

① Connect the included USB charging cable to the headphone's magnetic charging port.

② Connect the USB Type-A end to a computer or charger (output: 5V / 1A).

※ Place the charging cable beneath the headphone's neckband, not on top, to ensure stable charging.
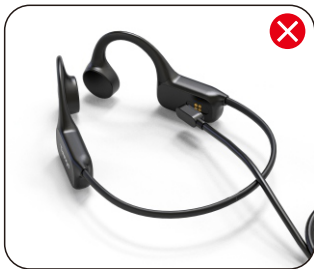

Checking Charging Status

● Charging in progress: The indicator light turns red.

● Fully charged: The indicator light turns blue.

※ Full charging time: Approximately 1 to 1.5 hours.

※ This product is equipped with overcharge protection to ensure safety even during extended charging.

Bluetooth Pairing

①Turn on Bluetooth on your phone.

②Press and hold the "Multifunction Button (MFB)" for 2 seconds to power on the headphone. If the indicator light alternately flashes red and blue, the headphone are in pairing mode.

③Select "W26" from the device list. Pairing is complete when the "Connected" confirmation tone plays.

< Settings

Bluetooth

Connect to accessories for activities like music playback, calls, and gaming.

How to Transfer Music Files

①Connection Preparation: Use the included USB cable to connect the headphones to your computer.

②Drive Recognition: After connection, a drive named "W26" will appear on your computer.

③File Transfer: Open the displayed drive and drag and drop music files into it.

※Once the transfer is complete, safely eject the device.

Important Notes

●Avoid strong impacts or drops, as they may cause damage.

●Do not use chemicals or detergents during cleaning.

●Keep away from high-temperature environments.

●If unused for extended periods, charge the device at least once a month to prevent battery degradation and extend product lifespan.

After-Sales Service

※ If you have any questions, feel free to contact the Tayogo customer service team at: **cs@tayogo.com.**

Warranty Period

The warranty period of this product is 1 year from the date of purchase. Please understand that the warranty does not apply in the case of damage or poor function caused by misuse such as falling, or in the case of alteration or repair by informal repairers.
