

THE NEW VOLVO

**V40**

MADE BY SWEDEN

## Distinctively Volvo.

We designed the Volvo V40 to be your perfect companion in the city. It's a car that makes life easier and puts you in control of your journey, wherever it takes you. Into every detail, the V40's design is a fresh breeze of Scandinavian flair. With its V-shaped bonnet and strong shoulders that stretch from just behind the headlamps, the Volvo V40 cuts an imposing figure on the road and at the kerbside. Its distinctive Scandinavian design reflects your individuality, while its dynamic nature is made clear by the car's sporty character. With the new iconic Thor Hammer T-shaped LED Headlights, you have a Volvo that makes a big impression.

### **PARK ASSIST FRONT AND REAR WITH PARK ASSIST PILOT (PAP)**

Parallel parking will become a lot easier thanks to Volvo's Park Assist Pilot, which parks the V40 for you. Just activate the Pilot when the car is next to a space. The car will confirm if it's big enough to steer itself in for you.

### **CITY SAFETY WITH FRONT COLLISION WARNING & FULL AUTO BRAKE**

Drive with peace of mind. This innovative safety technology is designed to avoid rear-end collisions at speeds of up to 50 km/h. The IntelliSafe system automatically brakes when it senses a potential collision.

### **CROSS TRAFFIC ALERT**

The new Cross Traffic Alert radar detector watches out for vehicles you can't see when reversing out of tight parking spaces. It scans and alerts the driver whenever there is a vehicle crossing its path.

### **BLIND SPOT INFORMATION SYSTEM (BLIS)**

New and improved Blind Spot Information System (BLIS) can now monitor and alert the driver on rapid approaching vehicles up to 70 meters behind the car by using radar technology.

### **CLEANZONE INTERIOR AIR QUALITY SYSTEM**

A sensor measures and detects the quality of the air coming into the passenger compartment and prevents dust, pollen, bacteria and other harmful particles by activating a recirculation system to keep the air in car clean and fresh.

FEATURES	T4	T5	FEATURES	T4	T5
Driving Dynamics			R-Design Front Grille	S	S
Drive-E engine with Turbocharger	S	S	R-Design Lower Front Nose and Rear Diffuser	S	S
