

MONOGRAM 36" PREMIUM FRENCH-DOOR BOTTOM FREEZER—BUILT-IN STANDARD INSTALL

ZIP364IPV11

Panels and handles
are sold separately.

STANDARD INSTALLATION KIT CAPABILITIES

You can replace a 35-1/2" or 36" wide single-installed product with a 36" French-door bottom freezer product all with no cabinet or electrical modifications, Standard Install Kit ZKW36V

6-TEMPERATURE SETTING CONVERTIBLE DRAWER

The convertible drawer with 6 temperature settings allows you to choose temperatures best suited for storing cold drinks, meat, snacks, ice cream, produce or frozen items

STATEMENT AND MINIMALIST COLLECTION REFRIGERATOR HANDLES (SOLD SEPARATELY)

Designed to enhance choice and customization, Statement and Minimalist Collection refrigerators do not come with handles, these must be chosen separately and ordered through a Monogram representative

PANEL-READY EXTERIOR WITH SIX-WAY ADJUSTABILITY

Statement and Minimalist Collection refrigerators accept stainless steel panels & custom cabinet panels. Stainless steel panel kits are ordered separately. Custom panels are ordered directly from your cabinetmaker

LED LIGHTING INSIDE REFRIGERATOR

Ramp-up LED interior lighting provides exceptional illumination throughout the fresh food compartment, accentuating the sophisticated interior and allowing you to easily see food in the refrigerator

REFRIGERATOR WITH INTERNAL WATER DISPENSER

The water dispenser on the inside of the refrigerator leaves the outside looking clean and uncluttered

REFRIGERATOR AIR FILTRATION ODOR REDUCING SYSTEM

The refrigerator deodorizer air filtration system helps keep your refrigerator fresh by scrubbing the air of food odors and gases

WIFI-CONNECTED REFRIGERATOR

The WiFi refrigerator allows you to wirelessly control refrigerator settings from your smartphone, using an available app

REFRIGERATOR WITH RAMP-UP LED INTERIOR SHELVES

LED-lighted refrigerator shelves provide exceptional illumination throughout the refrigerator compartment, accentuating the sophisticated interior and making contents easy to see

REFRIGERATOR WITH ADJUSTABLE DOOR BINS

Finely crafted, adjustable aluminum door bins with glass accents offer easy access to beverages and quick-grab items

ACCURATE, ELECTRONIC TOUCH CONTROLS

Upfront, electronic touch controls make it easy to adjust climate settings to create ideal food storage conditions

REFRIGERATOR WITH SOFT-CLOSE DRAWERS

The innovative sliding mechanism helps the drawers close gently and completely

HUMIDITY-CONTROLLED VEGETABLE DRAWERS AND FRUIT DRAWER

Enjoy additional storage flexibility that helps to preserve food freshness

FACTORY-INSTALLED ICE MAKER

The water filtration system in the factory-installed ice maker supplies you with clean, fresh-tasting ice

SABBATH MODE REFRIGERATOR

This refrigerator with Sabbath mode is designed to disable functions in accordance with Sabbath-observing practices

Panels and handles
are sold separately.
