Suspension Upgrade Systems

The only 2-inch Suspension Lift designed, engineered, tested and backed by Chevrolet specifically for the All-New Silverado 1500. Developed by the same vehicle-level engineers that built the truck, this system was tested under the same grueling conditions, and will not void the New Vehicle Limited Warranty. Each system features front and rear passive monotube dampers specifically tuned to the chassis, jounce bumpers, rear leaf spring spacers and much more for fully integrated installation. An exclusive Front Camera Reconfiguration and an Electronic Power Steering Calibration is included, so that all driver-assist systems continue to function seamlessly. Read the vehicle's Owner's Manual for important driver-assist system feature limitations and information. Expert installation by an authorized GM Dealer is recommended. The 2-inch Suspension Lift cannot be installed on all regular cab trucks, 2019+ Chevrolet Silverado 1500 Custom Trail Boss and LT Trail Boss, all Max Trailering Package trucks (NHT), all Snow Plow Prep-equipped trucks (VYU), or any 2019+ Chevrolet Silverado 1500 equipped with composite rear leaf springs - Chevrolet LT Trim with 5.3L V8 engine (L84) - Chevrolet LT Trim, Short Bed with 3.0L Turbo Diesel engine (LM2).

Chevrolet reserves the right to improve, discontinue or change any part of the copy, photography, information, pricing or parts without notice. This is a Chevrolet-to-Dealer communication and not intended for advertising purposes. Pictured gear and supplies not included.

Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard GM Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Does not apply to Associated Accessories. See your dealer for details.

Some vehicles are shown with equipment from an independent partner. Chevrolet Licensed and Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers.
