

## Model AP08CR2W

### Key Features

- Portable AC has wheels that make it easy to move from one room to another
- Ultra-slim design enables the AC to fit almost anywhere
- Low noise cooling system operates quietly so you're not disturbed
- Multiple functions for personalized comfort (Cooling, Fan, and Dehumidifier modes)
- I-Feel™ Remote Control included so you can operate the AC from across the room

#### Quiet Operation

The ultra-quiet compressor and hi-flow fan design make the airflow strong and quiet. With the fan set on "Low", the sound level is just 50 dB(A).

#### I-Feel™ Remote Control

The I-Feel temperature sensor built into the remote control senses its surrounding temperature, and transmits the signal back to the unit, providing maximum comfort.

#### 24 Hour Timer

The 24-hour real time clock and timer function is easy to set and use.

#### Warranty

2 Years Parts & Labor

### Cool Comfort. Ultra-slim design.

The Hisense Ultra-Slim Portable Air Conditioner (Model AP08CR2W) comes with wheels that make it easy to move from one room to another. The ultra-slim design takes up less floor space and the easy-to-install window kit (for windows 18" to 50" wide) allows you to maintain the exterior appearance of your home. Other features that this AC includes are an ultra-quiet compressor, a new centrifugal fan design that makes the airflow strong and quiet, and multiple functions (Cooling, Dehumidifier, Fan) for personalized comfort. The temperature you select will change based on the room temperature and while in Sleep Mode, the AC will stop automatically after it has been operating for 8 hours.

## TECHNICAL SPECIFICATIONS
