①

②

12-24V DC

Use the car charger to connect the camera to the cigarette lighter socket.

Please follow the instruction above. Install the rear camera in the correct direction.

## Recording

Upon starting the ignition, the camera automatically starts recording.

## Emergency Recording

The G-sensor detects collisions and locks the footage as evidence.

**⚠ Not included**

Type-C hardwire kit

For 24/7 parking monitoring, install the dash cam with a Type-C hardwire kit.

## Connect Wi-Fi

1. Click the Wi-Fi icon.
2. Connect Wi-Fi on your phone.
3. Choose the file to playback on the iZeekeer Tour.

## Track Information on GPS

GPS can record the vehicle's driving speed and provide its precise location and routes identification on the map.

## Playback on Camera & PC

1. Press menu to enter the playback menu, choose the video or photo that you want to playback.
2. Connect PC to playback.
